South West Reading Challenge

Welcome to the South West Reading Challenge! Eight institutions from the South West have joined forces to invite you on an exciting reading journey with the opportunity to win big prizes!

The challenge is simple – read two, four or six reading materials, these can be anything from food recipes or articles to science fiction books or true stories, it's entirely up to you! Struggling for ideas of what to read? Visit your librarian at each stage and they will help you choose. We have also suggested some exciting genres overleaf and on the Reading Challenge bookmark.

All student participants who read a total of two, four or six items will be in with a chance of winning bronze, silver or gold prizes. **Prizes include:** Amazon Fire Tablets, bluetooth waterproof speakers and book accessories (book bags and bookmarks).

The winners will be announced on the 2nd May 2022. Join the challenge and make this your best reading year yet!
