

Wednesday 3rd March

Year 2 Home learning

Good morning Year 2!

How are you this morning? We are really looking forward to seeing you all very soon. It will be so nice to be all back together again!

Have a look below to see what you are going to do today.

Mrs Hill

Handwriting

Today keep practising the days of the week - how many can you spell without looking? Use the sheet to help you.

Reading - Have a little read to someone at home today.

Don't forget to keep practising those red words - how many can you read and spell?

English -

Today we are going to write what we think Traction man and the other characters might be saying in the pictures (on the sheet). When someone is speaking we use speech marks. These also have a grown up name - 'inverted commas', but it is fine for you to call them speech marks

for now. They look like this “ ” and they go at the beginning and end of what someone is saying, as if they are holding on to it. Any punctuation goes inside the speech marks, like this:

“ Would you like some cake? ” said Mrs Hill.

It gets a bit boring if we always use the word **said**, so your first job today is to think of other words that we could use, and make a list. I will start you off:
shouted,
whispered,
roared,

I wonder what other words you can think of? Once you have done this, write what the characters might be saying in each picture, trying to use a different one of your words each time.

Good luck, 😊

Maths: Understanding the multiplication sign

Yesterday we looked at the times sign, which is also called the multiplication sign. You watched Numberblocks and then had some number sentences to complete.

Today there is another Numberblocks programme to watch, about multiplication.

<https://www.bbc.co.uk/iplayer/episode/m0006xcc/numberblocks-series-4-fun-times-fair?seriesId=m0005y7k>

After watching, try to complete the number sentences on your sheet (p.41) There are lots of monsters with different amounts of legs! If the first sheet is easy, have a challenge and try the next one (p.42).

This afternoon...

It's PE day today. Maybe you will have the chance to go out for a walk, or play outside if the weather is dry. You could have a look at one of Jo Wick's PE lessons, try one of the other Supermovers routines on BBC teach, or put your favourite music on and have a dance! Have fun.
