

## Year 6 Topic

Choose your homework from the challenge box below:

For research tasks, try <http://www.primaryhomeworkhelp.co.uk/index.html> or use the search engine <https://www.kiddle.co/>

Research expeditions to the Polar Regions online. Budget how much it would cost to set up an expedition.

Create an Arctic themed board or card game and teach friends or family how to play.

Write a newspaper article about an expedition to the Poles.

Or write a menu to take with you on an expedition. Be as creative as you like.

Draw a map to a fantasy polar land. Write a set of instructions on how to get safely through, avoiding any traps! Think about using directional language

Use a computer to create a timeline of different arctic expeditions.

Research temperature changes in the Arctic, find some data, track changes and possible causes. Can you write a report about it.

Research and find interesting arctic animal. Write a fact file about it including habitat, food etc.

Create a 3d map showing how the ice caps have changed over time due to global warming.

Imagine you have been on an expedition; write a diary entry about your adventure.

List 10 things you wouldn't be able to do in the Arctic that you could do in Britain

Draw your own fantasy animal, annotate it with key features. Think of animals in The Golden Compass.

Write a fact file on your favourite character from The Golden Compass.

Choose a polar explorer and create a fact file, book, or poster all about them.

Write a poem about your fantasy animal.

Using the word Expedition, write an acrostic poem.
