

## Remote Learning - Year 3 (1<sup>st</sup> – 5<sup>th</sup> March 2021)

Good morning Year 3, we hope you are all well, we are looking forwards to seeing you all very soon!

Here is your remote learning for this week.

**Thursday 4<sup>th</sup> March is World Book Day. In school, we will be dressing up as book characters. Our Zoom session this week will also be on Thursday with a fun, book themed quiz! Join in with the dressing up, if you would like, and we will be able to see you on screen!**

Love from Mrs Nile, Mrs Edwards & Mrs Rawlings x

### Maths

This week we are looking at measurement.

#### Monday-

Follow the link below and watch the video.

Measure length <https://vimeo.com/503131096>

Have a go at today's activity sheet.

#### Tuesday –

Follow the link below and watch the video.

Cm & m - <https://vimeo.com/504467081>

Have a go at today's activity sheet.

#### Wednesday -

Follow the link below and watch the video.

Mm & cm - <https://vimeo.com/504918866>

Have a go at today's activity sheet.

#### Thursday –

Follow the link below and watch the video.

Add lengths - <https://vimeo.com/506146810>

Have a go at today's activity sheet.

### **Friday –**

Follow the link below and watch the video.

<https://vimeo.com/506146876>

Have a go at today's activity sheet.

**Don't forget to use the answer sheets to mark your work!**

### **English**

This week we will be reading a text, answering questions and learning about how to punctuate direct speech.

There is a PowerPoint which explains how we show that characters are speaking in a story.

**Follow the instructions for each day of the week.**

### **RE (Monday)**

This week we are going to be finding out about Lent. Some of you may have had pancakes 2 weeks ago? Shrove Tuesday or Pancake Day is the day before the beginning of Lent.

Log on to Twinkl Go and type in the code: YC4371

Watch the PowerPoint and then complete the worksheet.

### **Topic (Tuesday & Wednesday)**

Cornwall is famous for its Fishing Industry. You may have heard how Cornish Fishermen have been worried about leaving the European Union and if it will affect the fish that they are allowed to catch and where they can sell their Fish.

Have a look at the pictures on the link below. You can see from the old photographs that Fishing has been important in Cornwall for hundreds of years. The writing is a bit too complicated for you to read but look at the sub headings and you'll see all the different types of fish that Cornish fishermen catch. Look out for St. Ives – what type of fish were caught there?

<https://www.cornwallgoodseafoodguide.org.uk/cornish-fishing/history-of-the-cornish-fishing-industry.php>

**Make a list of the different Fish that were mentioned in the sub-headings**

- H \_\_\_\_\_
- S \_\_\_\_\_
- M \_\_\_\_\_
- Potting for C \_\_\_\_\_, L \_\_\_\_\_ and C \_\_\_\_\_

Now watch the video below, all about fishing for sardines in Newlyn.

<https://www.youtube.com/watch?v=F6yoRp2WxEU>

Now answer the questions on the sheet 'SARDINE FISHING IN NEWLYN, CORNWALL'

Try this very simple recipe for a 'Sardine lunch'

You could make it for your family!

<https://www.bbcgoodfood.com/recipes/sardines-tomatoes-toast>

Now you are going to try making your own Fishing Boat!

Watch the video and see if you can design a fishing boat! Instead of seeing if it can carry a bag of sugar without sinking, try having a cargo of sardines – perhaps 2 tins?

After you've watched the video have a look at the challenge card which tells you what equipment you will need. Have fun! Send us a photo of your fishing boat.

[https://www.youtube.com/watch?v=H\\_scnWnN1Fg](https://www.youtube.com/watch?v=H_scnWnN1Fg)

## **World Book Day!**

Thursday 1:30 pm – Zoom Quiz!

## **Art (Friday)**

This week we are going to have a go at making Salt Dough fish!

Follow the link below for a recipe of how to make salt dough.

<https://www.bbcgoodfood.com/howto/guide/how-make-salt-dough-recipe>

Once you have the dough, can you make fish shapes? Can you create a texture on your fish to give the effect of scales?

If you have paint at home, have a go at decorating your fish once it has finished cooking.

## Extra Activities!

- <https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>  
Topmarks is a great website to be able to play maths games! Great way to practise those times tables!!
- <https://www.pobble365.com/> Pobble 365 upload a new picture every day with a variety of grammar questions, art tasks and discussion points to go with it. We have used these in class so you will recognise how it works!

### Tasks to continue throughout the week –

- **Daily reading 20- 30 mins, either to yourself or a family member (this can include a pet!)**
- **Once you have completed your book don't forget to quiz.**
- **Times table practice. You should aim to practise for 20 mins a day.**
- **30 mins of exercise a day! Don't forget to have a 'break' time!**
