

Bishop Cornish CEVA Primary School

Issue: 7th July 2023

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

Yet the LORD longs to be gracious to you; therefore he will rise up to show you compassion. For the LORD is a God of justice. Blessed are all who wait for him!

Isaiah 30:18

This week's value: ***Justice***

Dear parents and carers,

It has been a very busy week at school, which began with Collective Worship. This week our value has been justice. The whole school shared times when they had felt something was unfair. Then some of the children helped me by acting out a story about how fairness can be seen in a different way instead of it being about us, how we can make sure that things are fair.

Also in school this week the children in Key Stage 2 presented their production of 'Joseph and His Amazing Technicolor Dreamcoat'. We had just under parents, carers, grandparents and family members attend the performances. As a Headteacher, I could not be more proud. The entire cast and choir were fabulous. A huge thank you to all the staff at Bishop Cornish for their hard work. A special thank you to Mrs Oakes for directing the play, and to Mrs Jones as pianist. I would also like to thank Tim Parkman, Matt Oakes and Saltash Community School for letting us use their facilities. It was wonderful to get such lovely feedback from the audience.

Next Friday you will be sent a link via Class Dojo to access your child's end of year video report. If there are any issues, please let us know straight away. If you do not have access to the internet, can you please let Mrs Dunbar know and we will make sure that you still get your child's report. On the Monday of the following week you will also receive your child's attainment summary, this will be sent home with the children.

Have a lovely weekend.

Mrs Tracey Fletcher
Headteacher

Dates for your diary

Thursday 13th July

Tea and Talk – 2.45-3.15pm

Wednesday 19th July

Leavers' Service – 1.45pm, all parents welcome

Leavers' BBQ – 4pm, Year 6 parents welcome

Thursday 13th July

Year 4 Roman Dress up day

Thursday 20th July

Leavers' Assembly – Year 6 parents invited

Friday 21st July

Last day of term – no after school club, all children finish at 3.15pm

Monday 4th September

INSET Day

Tuesday 5th September

Children back to school

Achievement Awards

Lilly in Reception Class deserves the achievement award this week for her continuous efforts and attitude to her learning. Lilly comes in everyday with a smile on her face and great enthusiasm towards everything she does. Keep it up Lilly!

The Head Teachers award goes to Darcie in Year 1 for coming to school every day with an enthusiastic smile, approaching tasks with determination and contributing interesting ideas in class discussions. Darcie, you are a joy to teach. Well done.

Dexter in Year 2 did an amazing piece of writing this week and showed how much he has progressed since the beginning of the year. Dexter we are really proud of you!

Joshua in Year 3 for his amazing efforts this year. Joshua you have a fantastic work ethic and it has paid off this year. Well done and keep it up!

Caitlin in Year 4 has worked really hard in our Joseph production to learn her words for her part as a narrator. She sang beautifully. Well done.

Jacob in Year 5 has worked hard on his geography fact file about Brazil and has included lots of interesting facts. Great work Jacob.

The Head's Award this week goes to Jess in Year 6. She always has a positive outlook and always gives 100%. She is an absolute joy to teach and has made so much progress this year. I am so proud of her.

Value Awards

Lyla in Reception Class deserves the value for justice this week. Lyla has a good understanding of what is and isn't fair and tries hard to make the right choices. Well done Lyla.

The value award for justice goes to Elliott in Year 1 who likes to stand up for what is just and fair. He is honest and kind to his classmates. Well done Elliott for representing our school values so well.

Jack in Year 2 is always fair when he deals with his friends and has a really strong sense of justice. Jack is really good at helping others understand how to make good choices. Keep it up Jack!

Katie in Year 3 is a very fair person, she is humble, selfless and happy. She really is a great example of how to embody the value of justice.

Eloise in Year 4 always has a strong sense of justice. She is fair to others, always kind and ensures she always makes the right choices. Well done.

Ella in Year 5 shows great empathy to her classmates and has a strong sense of what is just and fair. She is a fantastic role model in our class.

The Value Award for justice goes to Tristan in Year 6. He has really matured this year and handles difficult or tricky situations with resilience and determination. He is a fair member of our class and will voice concerns in positive way to ensure the right thing is done.

This week in school we have...

This week Year 2 have been learning all about position and direction. They have been focusing on left and right as well as clockwise and anti clockwise. In literacy they have been writing a report all about lions and have done an amazing job. They have also learnt about Rosa Parks and became history detectives, using historical photographs to find out facts.

This week Reception Class got to take home their amazing Gruffalos they created. They have also been learning about the story of the snail and the whale and have been practising new vocabulary to describe the 'remarkable' adventures they had together.

In geography, Year 5 have continued with their fact file about a country in South America. In maths, the children have been adding and subtracting with decimals and completing decimal investigations. In PSHE we have been 'looking forward' and discussing some of the freedoms and responsibilities when they become teenagers. In music, they created compositions using xylophones.

This week not only have Year 3 been starring in the Joseph production, they have also been learning about angles and turns. In Maths they have also started their Science unit around Light.

This week Year 1 have been busy story writing in Literacy, learning about time in Maths and identifying key features of Plymouth on a map for Geography.

This week Year 4 enjoyed a PSHE lesson celebrating and sharing positive qualities about each other. Everyone (adults and children) had a piece of paper taped to their backs and we all wrote anonymous positive comments. We will be keeping these for when we return in September, where they will be ready and waiting for us. This week, we have also been working so hard on our Joseph production - we are amazed with all of our children.

This week Year 6 have been reflecting on their time at Bishop Cornish and jotting down memories ready for the Leavers' Assembly. They've travelled back in time to Reception Class and thought about their achievements and key moments up to Year 6. We are delighted to announce that a group of our 6 children received a special mention from Exeter Maths School in which they entered the Egyptian Fractions Competition. There were over 150 entries so we are immensely proud of this achievement. Watch this space to find out which group one when their certificates arrive 😊
