## **1. INTRODUCTION**

- 1.1. Bishop Cornish CofE VA Primary School is committed to providing all children with a safe and secure learning environment, free from harassment, intimidation and bullying.
- 1.2. Bullying is wrong and damages individual children. We therefore do all we can to prevent it by developing an ethos in which bullying is regarded as unacceptable.
- 1.3. Where instances of bullying arise, the school will follow the guidelines set out in this policy to enable staff to identify children engaging in bullying, support those children so that they can change their behaviour and keep all other children safe and happy.

## **2. DEFINITION OF TERMS**

- 2.1. Only incidents that amount to bullying will be dealt with by this policy.

### **Bullying**

- 2.2. Bullying is the use of force, threat or coercion to abuse, intimidate or aggressively dominate others. Children often have arguments with each other, and isolated incidents will not usually be classed as bullying.

### **Types of bullying**

- **Physical:** when a child physically harms a student or damages the student's property.
- **Verbal:** when a child verbally harms a student through name-calling etc.

### **Cyber-bullying**

- 2.3. Cyber-bullying is the use of technology to bully another person, typically by sending messages of an intimidating or threatening nature.

### **Types of cyber-bullying**

- **Exclusion:** Intentionally leaving someone out of a group such as instant messaging, friend sites, or other online group activities.

- **Outing:** Sharing secrets about someone online including private information, pictures, and videos.
- **Trickery:** Tricking someone into revealing personal information then sharing it with others.
- **Impersonation:** Pretending to be someone else when sending or posting mean or false messages online.
- **Harassment:** Repeatedly sending malicious messages to someone online.

### **3. PREVENTING BULLYING**

- 3.1. It is the responsibility of the Headteacher to implement the school's anti-bullying strategy, to ensure that all staff are aware of the policy and provided with relevant training, so they know how to identify and deal with incidents of bullying.
- 3.2. Staff will use a range of methods to help prevent bullying and to establish a climate of trust and respect for all. They will use drama, role-play, and stories etc. within the curriculum to help children understand the feelings of bullied children and to practise the restraint required to avoid lapsing into bullying behaviour. Time will also be used to praise, reward and celebrate the successes of all children, to help create a positive atmosphere.
- 3.3. Parents have a responsibility to support the school's anti-bullying strategy, actively encouraging their child to be a positive member of Bishop Cornish CofE VA Primary School. Parents who are concerned that their child might be being bullied, or who suspect that their child may be the perpetrator of bullying, should contact their child's class teacher.
- 3.4. Children should tell an adult if they are being bullied, and if the bullying continues, they must keep on letting people know.

### **4. RECORDING AND TAKING ACTION AGAINST INCIDENTS OF BULLYING**

- 4.1. All staff take all forms of bullying seriously and seek to prevent it from taking place.  
**Teachers and All Staff**
- 4.2. Teachers keep their own record of all incidents that happen in their class, and incidents that they are aware of in the school involving children in their class.
- 4.3. If a member of staff witnesses an act of bullying, they will investigate it themselves and then refer it to the child's teacher. All staff will do all they can to support the child who is being bullied.

### **Leadership Team**

- 4.4. If a child is repeatedly involved in bullying other children, the member of the Leadership Team will be asked to contact the child's parent.
- 4.5. These cases will be discussed and monitored at Leadership Team meetings.

### **Headteacher and Deputy Headteacher**

- 4.6. If bullying continues the matter will be referred to the Headteacher or Deputy Headteacher who may invite the child's parents into the school to discuss the situation.
- 4.7. In more extreme cases, for example where these initial discussions have proven ineffective, the Headteacher may feel the bully should be internally excluded from their classes. This means that he/she will spend part of the school day supervised by a senior member of staff away from the child or children that they are bullying.
- 4.8. If bullying continues still, the Headteacher will consider fixed-term exclusion.
- 4.9. The Headteacher will keep accurate records of all incidents of bullying and to report to the Governors on request about the effectiveness of the school's anti-bullying strategies.

### **Governors**

- 4.10. The Governing Body supports the Headteacher in all attempts to eliminate bullying from the school, including monitoring incidents of bullying that do occur and regularly reviewing the effectiveness of this policy.

### **Parents and Carers**
