***“Do not judge, and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven.”***

**Luke 6:37**

This week's value:

***Forgiveness***

Dear parents and carers,

In Collective Worship on Monday, the children in Year 5 helped to retell the Bible story of Peter's betrayal and Jesus' forgiveness. We looked at how a small wrong can spread out like ink on a page or ripples in water. The wrong can become bigger and bigger and affect more and more people. However, we can all be forgiven and we can all be forgiving kinds of people.

This week the school council held their first meeting. They are exploring what animals they would like in school, why they think each animal would be a good choice and the part they play in looking after them. They will be consulting their classmates next week and reporting back. We look forward to sharing their thoughts with you at a later date.

The children in KS1 have continued to rehearse for their nativity and in KS2 new songs have been sung in readiness for Christingle. The children's voices are truly beautiful.

Some parents have been asking about the KS2 play. At the end of the last academic year, we made the decision to move the performance to the summer term for a number of reasons. It is a such special time, making memories for the staff, children and their families and one we want to dedicate our time to.

### **SPORTS REPORT**

#### **Girls football - County Champions**

Last Friday our girls football team made the long trek to Falmouth for the ESFA County Finals. Totally dominating all day, we won our group and then beat Wadebridge 3-0 in the semi final to then face PARC Eglos in the Final. Another great performance followed to win 2-0 and to become County Champions for the first time in the school's history. They will now go on to represent Cornwall in the South West England Finals in March. The school is very proud of you girls!

#### **Cross Country League race 2**

Some more excellent performances. Individually, Lucas was 2nd with Jess G 3rd in the girls. Team wise we had a 1st, 4th and 5th out of the 35 competing schools

#### **Arena football League**

Two more wins at Callington on Tuesday in the mixed football League keep us top of the League with 2 games to play.

#### **Rosewarne Cup**

In a thrilling game on Wednesday against Carbeile we came from 3-1 down to secure victory in the last 30 seconds of extra time. Well done to everyone involved.

## *This week in school we have...*

*Year 4 have been learning about the story of Noah and the Covenant with God – our woods photos shows the yachts we built to set sail in. Through this, we have also been reflecting upon how it might feel to leave your home and everything you know. As part of our PSHE unit, we have used ICT to create anti-bullying posters and we have really practised our word processing skills through this. Excellent work Year 4.*

*This week Year 6 have been busy organising and practising for the Christingle this week. They are learning three new carols and been busy designing their entries for the Christmas Programme Competition. Year 6 have also been offered extra responsibilities covering the reception at lunchtimes. They are learning all sorts of new skills, answering the telephone, dealing with enquiries and taking messages. They are thoroughly enjoying their new 'jobs', watch out Mrs Dunbar!*

*This week Year 3 have been writing our stories of The Happy Prince and creating some beautiful artwork around this. We have also been super scientists investigating the force of friction with toy cars and different surfaces.*

*This week Reception Class this week were super surprised when they had a visit from some of Father Christmas' reindeer! The children noticed that the gongk in our curiosity cube was sad so they wrote to Father Christmas to ask for a friend and wished on the magic box. They got a special gift, delivered by reindeer!*

*Year 1 have been creating some independent poetry writing in literacy and adding to their PSHE gingerbread men, celebrating differences and supporting anti-bullying.*

*Year 2 have been very busy doing an independent piece of writing about the Great Fire of London. They have produced some amazing accounts full of fantastic vocabulary. They have also created some great artwork using water colours and charcoal line drawings. They have enjoyed imagining what characters in the Christmas story would have said when they saw baby Jesus and of course have been absolute superstars when acting in our Christmas play.*

*Year 5 have continued with their speech writing as well as completing their learning around multiplication and division. On Tuesday, with the help of parents, we made beautiful decorations for the Christmas Tree Festival at St. Nicholas & St. Faith Church – a busy but fun-filled and productive afternoon. Thankyou parents, we couldn't have done it without you.*
