

'Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done.' Philippians 4:6

Dear Children

Well eventually the weather changed and we have had some much needed rain and the good news that they will soon be cutting the grass on the school field! It has really grown over the last week! The alpacas would have had a wonderful feast.

I have included below some photographs of some of the work you have been doing at home – it is all so impressive. Thank you for the lovely emails about the work being set – we know that the amount is perfect for some of you but do let the teachers know if it isn't so that they can try and get it right for you and your family! **Parents, you are doing an AMAZING job – well done and thank you.** I do hope you enjoyed the short film from all the staff – they wanted you to know how much they were missing you all. It's been a long time since we were all together and I hope you are looking after one another at home. Someone sent me a lovely saying which has helped me over the last few weeks – it says... **'Always pray to have eyes that see the best in people, a heart that forgives the worse, a mind that forgets the bad, and a soul that never loses faith in God.'**

I hope you have a lovely weekend and week ahead – remember to make people smile and help at home in as many ways as you can – make your bed, tidy things away, say 'please' and 'thank you.' All of these things will make you feel good inside. Lots of love from Mrs. Green © xx

Well done Anya – some beautiful cooking under way. Ella (Year 2) created this sensational picture using natural materials and Scarlett made this incredible model of the Jabberwocky. WOW! Jess has built a pirate ship, Chloe is having fun doing her listening homework and Bear used a YouTube tutorial to learn how to draw Sonic but also made this beautiful picture using natural materials like Ella.
