

Bishop Cornish CEVA Primary School

To inspire through faith and love, that all may flourish

Issue 25: Friday 28th March 2025

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

Because you have these blessings, you should try as much as you can to add these things to your lives: to your faith, add goodness; and to your goodness, add knowledge; and to your knowledge, add self-control; and to your self-control, add the ability to hold on; and to your ability to hold on, add service for God, add kindness for your brothers and sisters in Christ; and to this kindness, add love.

2 Peter 1:5-7

This half term's value: ***Perseverance***

Dear Parents and Carers

We began the week with Collective Worship, where we looked at having the courage to speak up and do the right thing. Thank you to the children in Year 6, who helped me with leading the school in their actions.

Also this week in school, our young carers met and had a fun time creating their own Easter nests then going on to find 100 hidden eggs!

The whole school has been busy practising for the Easter service next Wednesday, 1.45pm at St Stephen's Church. We very much look forward to you being able to join us for such an important time in the Christian Calendar. Just a quick reminder that the children will all need to return to school after the service with their class.

On Thursday we had our class photos. The photos look amazing! We will be in touch soon about how you can purchase such a special memory 😊.

On Monday, you will receive a link to your child's annual formal report. It has been a joy reading all the amazing achievements and seeing how reflective the children are in wanting to get even better. If you have any queries regarding the reports, please contact your child's class teacher.

At the end of this term, we sadly say goodbye to Miss D'Arcy, who has taught in Reception Class whilst Mrs Edlin was on maternity leave. We would like to thank Miss D'Arcy for her time at Bishop Cornish and wish her all the very best for the future. We also say goodbye to Mrs Potter, who has worked with children across the school for the past year. We would like to thank Mrs Potter for her time with us and wish her the very best in her new role.

Next week, Mrs Edlin will be returning to Bishop Cornish with Miss Wakeham joining her to teach the children in Reception Class. We welcome Mrs Edlin back and Miss Wakeman to the school.

Have a wonderful weekend,

Mrs Tracey Fletcher

Dates for the Diary

Sunday 30th March

Mothering Sunday Service

10.30am St Nicholas and St. Faith

Monday 31st March

Year 3 Egyptian Day

Wednesday 2nd April

Easter Service

Achievement Awards

Bella in Reception Class, you have really let your personality shine through and been brave using all your new self-confidence to let us hear your voice during group and paired work. Well done Bella!

Evelyn in Year 1 always tries her best and she is doing super well in her learning. Her confidence is also blossoming and it is great to see. Keep it up Evelyn.

Phoebe in Year 2 for making super progress with her reading and doing an excellent job in all her learning this week.

Harper in Year 3 who created a lovely Egyptian collar in Art and has completed some thoughtful diary entries for Literacy. She always give 100% to every subject and is a fantastic role model, well done Harper.

Louie B in Year 4 for his amazing attitude towards his learning and dedication to his work in all lessons. Keep it up!

Eliza in Year 5 has been a superstar this week working extremely hard on all she does. She has listened to all advice offered to her in all her lessons and worked so hard. Her biography on a scientist makes an enjoyable read. Well done.

Izzy in Year 6 for creating a dark but exciting twist to a fairy tale in English. You have used lots of amazing vocabulary to create this exciting story. Well done Izzy keep it up.

Value Awards

Rowan in Reception Class - you have really persevered with your writing this week trying to get all your sounds in the right order and to form all your letters well. Great job Rowan.

Emilia in Year 1 keeps going with her learning and she is doing a great job.

Joshua in Year 2 for just doing everything with an amazing attitude. Joshua we are super proud of you as you are making excellent progress across all subjects.

Rosie H in Year 4 for showing outstanding determination and resilience in her work this week, particularly in tackling challenging tasks and never giving up.

Elliott in Year 3 who consistently shows perseverance with his learning. He has shown great perseverance recently with his reading, challenging himself with longer and more challenging books and scoring very well on his quizzes, showing great understanding. Well done Elliott.

Logan in Year 5 has been working hard in our writing lessons to write a biography. He has persevered with researching, planning, writing and editing this – ensuring he is trying to achieve his best. Well done Logan.

Year 6 Girls in the Football Team for their perseverance to qualify for Bristol and their amazing efforts at the tournament. You are a credit to the school, well done.

Sports Report

Landrake Cross Country

Well done to all the children and parents who completed the gruelling Landrake Cross Country last Friday. Some excellent performances including Theia coming 4th in the girls and Jacob S coming 7th in the boys race. Well done everyone.

County Cross Country Finals

On Tuesday we had a record 7 runners who qualified for the County Cross Country Finals at Newquay. Just to qualify is a huge achievement. Some excellent performances all round, with Theia (4th), Millie (6th) and Jacob (8th) coming in the Top ten. Well done to Theia, Millie, Jacob, Olivia, Shara, Dempsey and Tobi.

ESFA South West England Girls Football Finals

Super proud of our Girls Football team, who just missed out on qualifying for the National Finals at Bristol last Saturday. The matches were really tight, and if we'd had just that little bit of luck, then things could have been very different. They eventually finished joint 5th. To put this achievement into perspective, there are nearly 2000 Primary Schools in South West England, so to come 5th is an extraordinary achievement. The Girls represented the School superbly all weekend, just as they have done all through this fantastic season. Special mention to all the fabulous parents, whose support this season has been phenomenal. Well done everyone.

This week in school we have...

This week Year 6 have been busy doing lots of arts and crafts, they have created some amazing crosses which are being sent to Truro for a competition, fingers crossed and good luck to all the children that have entered.

This week Year 2 have been busy working on their 2 times table and thinking about how division is related. We even learnt the word inverse. We spent time reading together and exploring different texts. In history we acted out hospitals when Florence was not there and then after she had done her work. We loved using the bandages! We continued to explore Easter in RE and created the most amazing eggs which we have put up in our classroom. We have also enjoyed ICT and PE and spending lots of time outdoors in the sunshine.

This week in Reception Class we have been learning about different types of insects like ladybirds, slugs, millipedes and spiders, looking at things they have in common and the things that are different from each other. We also have been painting and exploring using ink and wax to make patterns.

This week in Year 4, we've continued to explore decimals, diving deeper into hundredths as both fractions and decimals. We've also worked on dividing 1-digit and 2-digit numbers by 10. In our history lessons, we've examined different sources to answer the question: *How great was king Alfred?* In addition, we've been continuing to rehearse for our Easter service performance and are very excited to share it with you next week!

Year 5 have enjoyed PE this week using large apparatus within their gymnastics lessons – fantastic balances were seen and well-controlled movements. We have been amazing authors writing biographies about famous scientists, thinking really carefully about our language choices and use of grammar. In our art lesson, we have been experimenting with watercolours and the different ways we can use these – amazing results Year 5 well done!

Year 3 have been decorating their Egyptian collars in Art this week, painting jewels on them and creating intricate designs. They have also been adding colour and creativity to their crosses for Truro Cathedral's competition. In Maths they have been learning about capacity and in Literacy they have been completing their diary entries based on Howard Carter's discoveries.

This week Year 1 have been writing animal fact files. They have been reminded of the Easter story and discussed why Jesus washed the feet of his disciples. They have enjoyed some Rugby skills and created some wonderful art work.
