This week's value: **Trust**

Dear parents and carers,

This week in school we celebrated World Book Day in style. Cruella De Vil (aka Mrs Fletcher) had a wonderful day visiting the classrooms. Thank you to the parents/grandparents/siblings that were able to join us in reading to their children. We hope that you enjoyed your time in school. In assembly on Thursday, we shared our outfits – teachers included! We saw pyjamas for when we read before bed, Harry Potter, The Mad Hatter, Alice, Gangster Granny, The Hungry Caterpillar, and Goldilocks. We even had a member of the army join us flying his own plane. Later in the day the teachers swapped classes and read to the children. To finish our day, we held a Book Swap in the hall so that all the children could take a new book home to read. Thank you to everyone for supporting such a great day.

In Collective worship this week we explored the value of Trust. The children helped Mrs Fletcher by looking at the size of their hands and thinking about the amazing things that they can achieve using their hands. We also thought about a time when they have felt safe holding an adult's hand, and how we can feel safe all the time, knowing that God holds us in his hands.

Have a wonderful weekend.

## This week in school we have...

Year 6 have had a very artistic week. They have been busy planning for Mothering Sunday and perfecting their Chinese art. They have also produced some amazing sketches of Muslim mosques using shading and perspective. They have thoroughly enjoyed dressing up as their favourite book characters and getting involved in all the World Book Day activities. I hope they enjoy the 'new' books they took home after exchanging theirs in our book swap 😊

In our wild woods session this week, Year 4 were given the challenge to work in a group to produce a potato person. This was part of our PSHE session and the children needed to work effectively as a group, listen to everyone's ideas and work as a team to produce this. As part of our world book day, children have used 'Scratch' to make background and 'sprite' of their favourite book and character. We had such a fun book day together and it was lovely to have lots of adults join us for reading.

This week Year 2 have been practising putting the right punctuation in a sentence. They have been continuing to work with money and have been giving change from £1. In DT we explored levers and the children had a go at making a lever themselves. We found out about Chanukkah in RE and went for a walk in science to find out what materials things were made of.

This week Reception class learnt about the life cycle of a butterfly and read the story of the hungry caterpillar, they also created their own butterflies. They also learnt names of different baby animals and got to look at some very cute photos!

This week Year 3 had a fun filled week of Rainforest Roaming and World Book Day, along with some R.E. in the woods which had us thinking about what it is like to follow God.

This week Year 1 have used oil pastels to create drawings of Van Gogh's famous sunflowers artwork as well as learning about healthy foods and the 'eat well' plate. They also enjoyed celebrating World Book Day listening to lots of stories and poems as well as talking about their favourite books and characters.

It was a wonderful World Book Day in Year 5 on Thursday, the children had such fun throughout the day with lots of exciting activities. Thank you to everyone that came in to read with the children and being involved with all of our celebrations. In English this week we have been writing a newspaper report about the crimes that Goldilocks committed (some of you may have seen Goldilocks in our classroom!). In Maths we have been exploring our previous learning on fractions ready to start our next unit. On Wednesday, during PSHE we discussed what to do in an emergency first aid situation and the children practised using the recovery position.
