This week's value: ***Perseverance***

Dear Parents and Carers,

What a week! I am going to start the newsletter this week with our amazing Sports Day. On a very warm Wednesday morning Year 6 led the younger children in the field events. We were very proud of everyone, especially Year 6, who supported our younger children. After lunch I was greeted by the longest queue of parents waiting to see their children showing their sporting prowess. The bank was packed with eager parents as the children walked out onto the field. Every child joined in with the events with the support of staff and Year 6. Our parents were also invited to join in Sports day with the tug of war. Thank you and well done to everyone that participated. Quite a competition! We finished the afternoon with Mr Brown sharing with parents the many sporting achievements from this year. A HUGE thank you to parents, grandparents and carers for your support. Thank you to Claire and the Year 6 parents for our refreshments. Thank you also to all the staff at Bishop Cornish for a great afternoon. Of course, I must also mention Mr Brown. His commitment and passion for sport at Bishop Cornish not only supports the children in their achievements but also their attitude – one child said although it was hard as she had a sore foot, perseverance is one of the school values, so she carried on to complete her race. 😊

On a different note, next week is our 'move up' day. The children in Year 6 will spend the day at their new secondary schools whilst the rest of the children will be spending time getting to know their new teachers. Transition is very important at Bishop Cornish and the teachers have already started meetings to enable a smooth move to the next year. Our wonderful teaching assistants will be moving with their current class to keep the consistency that many children need.

In 2024-25 the classes will be as follows:

Year 6 – Mrs Williams and Mrs Baker  
Year 5 - Mrs Jones and Mrs Hall  
Year 4 – Mr Matthews, Mrs Rawlings and Mrs Elford  
Year 3 – Mrs Hill, Mrs Garner and Mrs Miller  
Year 2 – Mrs Oakes, Ms Quick and Mrs Brooker  
Year 1 – Mrs Dinham, Ms Wilmot and Mrs Potter  
Reception Class – Ms D'Arcy and Mrs Taylor

If you have any queries around next year, please do not hesitate to contact me.

I hope that you have a wonderful weekend.

*Mrs Tracey Fletcher*

## *Achievement Awards*

Xander in Reception Class for always being a shining example of all our school values and always working hard. Keep it up!

Harry in Year 1 for his amazing efforts in class and during Sports Day.

Harper in Year 2 for making huge improvements with her handwriting and just generally being absolutely fantastic. Thank you Harper.

This week's achievement award in Year 3 goes to William, who showed lots of positivity and enthusiasm on Sports Day, supporting his team and trying his very best in all of the different activities. Well done William!

Fred in Year 4 for showing excellent sportsmanship during Sports Day – well done Fred.

Well done to Jack R in Year 5 this week. You have tried hard in your learning, did well in Sports Day and you are making a huge effort learning all those lines. Well done Jack.

This week's Head's Award has to go to the whole class. They showcased so many of our school values and received such lovely and positive feedback from parents and staff during Sports Day. We are so proud of you Year 6 😊

## *Value Awards*

Elena in Reception Class for keeping on trying even when the task is tricky. Well done!

Joshua in Year 1 who has shown real perseverance both with perfecting his handwriting and during Sports Day, he truly lives this value - good work Joshua.

Rosina in Year 2, who fell over in Sports Day but she got back up and carried on making some super runs. Well done Rosina.

This week's value award for perseverance goes to the whole of Year 3 for showing amazing determination, perseverance and team skills on Sports Day and not letting the heat hold them back!

Logan in Year 4 for showing great perseverance during Sports Day, and throughout all his learning. Well done!

Mr Brown would like to nominate Eloise for this week's value as she always gives 100% and showed huge commitment and perseverance in the cross country Sports Day event. Well done.

The Value Award for Perseverance also has to go to the whole class for their dedication and never-ending resilience during Sports Day. They are just outstanding Year 6s who we are very proud of 😊

*This week in school we have...*

This week Year 5 have had a great week all working as a team. They have been preparing hard for their Sports Day and have shown that perseverance can get a goal completed. In our maths lessons we have enjoyed learning all about decimals and our English lessons have seen a lot of enthusiasm when we have discussed and written about 'Is screen use making children lazy?'

This week in Year 4 we have been continuing to read and explore the book 'Bike Boy'. We have finished our sentence stacking and will be starting to write our own stories next week! We have had some good practice with using different writing techniques like kennings, personification and similes.

Year 3 have designed some super swashbuckling Cornish pirate puppets! This week they began making the head, adding tissue and glue to create their character's face. They also had a fantastic time at Sports Day, taking part with passion and enthusiasm!

This week Year 2 have loved Sports Day and especially the tug of war – they were superstars all day. They have also been developing their writing about cheetahs and have super cheetah fact brains. In maths they have been practising their mental maths skills. On Monday they made some super information posters about churches. They have also been foraging in the woods for their African hut roofs.

Wow – what a busy week we have had in Reception Class. We started looking at our story 'The Snail and the Whale' and looking at all the places they visit. We also had Sports Day, all of the children were incredible, we were so proud of them – well done Reception Class.

This week Year 1 have been writing super stories, learning about numbers 50-100 and been amazing athletes at Sports Day.

Year 6 have had an incredible week! They were amazing leaders, organising lots of activities for Sports Day and instructing the morning's activities. They had a visit from the Cornwall Library Service, who did a brilliant drama about the history of Cornwall. It was very interactive and I've posted some fun video clips on our class story. They are in full swing of Aladdin and you will be blown away by their acting skills.
