Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

"In everything give thanks."

Thessalonians 5.18

This week's value: **Thankfulness**

Dear Parents and Carers,

Another busy week in school, we began with Collective Worship, where we explored giving thanks, even when things are tough. Thank you to Ella and Molly, who told the story and the rest of Year 6 for adding the sound effects.

This week in Year 6 the children have been busy selling ice-creams to raise money for their Woodlands end of year trip. Thank you to everyone who has supported them in their efforts.

In Year 4 the children have sat their multiplication check. They have worked really hard and we are super proud of them. Mr Brown has been helping the children across the school prepare for Sport's Day on the 26th June. Year 6 will be selling cakes on the day to help to raise money for their trip. Next week we will give more details and will be asking if you are able to support the children.

Key Stage 2 children are in full rehearsal mode for Aladdin. It has been a joy listening and watching them singing and acting their parts. The production will again take place at Saltash Community School. We are really grateful to them for supporting the school and to all the offers of parent help we have had in relation to the sound system and costumes.

Finally, this week we had a visit from musician Diabel Cissokho, who ran two workshops for the children, one with KS1 and the other KS2. The children had a fun introduction to West African music and dialects, involving singing with kora accompaniment. It was wonderful listening to the call and response music. We would like to say a huge thank you to the Songs and Shanties team for organising the event.

I hope that you have a lovely weekend,

Mrs Tracey Fletcher

Dates for your Diary

Wednesday 26th June

Sports Day – gate opens at 12.45pm

Thursday 27th June

KS2 Drama Workshop and performance

Friday 28th June

Final swimming lesson for Years 1 and 3

Thursday 4th July

Move up day

Wednesday 10th/

Thursday 11th July

KS2 Production 5pm

Monday 15th July

Year 6 end of year trip

Wednesday 17th July

Leavers' Service

Friday 19th July

Last day of term for the children

Achievement Awards

Ada in Reception Class for being a shining example of all the school values and being a great friend to everyone.

Sophie in Year 1 for her continued amazing efforts!

Molly in Year 2 has been working really hard this week and has made some super progress in all areas. Well done Molly.

Madeleine in Year 3 who has been trying extra hard with her maths and times tables. Keep up the good work!

Olivia in Year 4 for showing great perseverance and trying her hardest to write and work with a broken wrist. She's shown great resilience and a can-do attitude.

Vinnie in Year 5 - you have been a superstar this as you really helped me when I was struggling to hear in a situation. You signed to me and helped me to understand. We all love that we have such a cheery member of year 5 who is there to help others.

Oliver W and Harry N in Year 6 worked brilliantly together to produce a number of different graphs for maths/IT. They chose WWII to research data so revisited their work in our first term, well done to both of you for revisiting and building upon prior learning.

Value Awards

Maia in Reception Class, you are always thankful for everything people do for you and you make sure you use your manners at every opportunity. You are a shining example for the class.

Year 1 are a very thankful class - they are super at their manners and they truly appreciate the fun times we have.

Ollie in Year 2 is always very thankful for everything in the classroom. He shows his friends he is thankful by being really kind.

Niall in Year 3 who always makes time for being polite and showing thankfulness. Well done Niall.

Naya in Year 4 for coming up with some great ideas on how we can be thankful when working with Mrs Hall.

Torii in Year 5 is a young lady who is always thankful for what she has. She is caring, friendly and great fun - we are all thankful for her kindness.

Katie in Year 6 is always thankful for any support she's given in class. She appreciates everything anybody does for her and she is such a lovely young lady. We are also thankful to be teaching her 😊

Sports Report

SE Cornwall Netball League

Well done to our Netball B Team who played St Germans A Team and won 27-2. We decided that there was no individual Player Of The Match as the whole team were superb. Well done everyone!

Please remember to complete the School Vision and Values survey sent out this week on Class Dojo.

Thankyou

This week in school we have...

This week Year 5 have had a busy week and have been working hard as always. In maths we have been reading a range of data in tables and graphs and looking at balanced arguments in English. In our art session, we sketched out ideas for livening up an area of a town and thinking of ideas for street art.

This week in Year 4 we have been looking into modern place names that originated from the Vikings. We spent some time exploring and discussing the different Viking names for farm, settlement and village. After this, we used the atlases to explore modern England, looking for places that still have these Viking names!

This week Year 3 have another busy week learning about world issues in RE, taking part in a music workshop, improving their swimming skills and learning about different plants and trees in Science.

This week Year 2 have embarked on a literacy project finding out about how to write reports about big cats, we have already found out lots of facts. In maths we have been problem solving and in science we have found out about animals and their offspring. We have also enjoyed exploring clay, ready for creating our African huts next week.

This week in Reception Class we have been starting to write our character descriptions about the Gruffalo, and a little writing about the Singing Mermaid. We are looking at capacity in maths and how to describe different amounts. We have made collages in art and been painting with water colours mixing the correct colours that we need.

This week Year 1 have been phonics superstars!

Year 6 have had another busy week fundraising for their Year 6 Trip. They have sold lots of ice-creams and are getting ready to sell milkshakes next week! They have also been using Excel to transfer their statistical skills into spreadsheets and produce a variety of different graphs. They really enjoyed the sessions and are now very proficient at researching and inputting data, creating a series of graphs appropriate to show their data collection and input titles, legends and change colours etc. In RE, we are using our new Bibles to look for evidence on how people saw Jesus as our Saviour and Messiah. I love teaching them RE as they have such mature opinions and ask really interesting questions.
