Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

"Be completely humble and gentle; be patient, bearing with one another in love."

Ephesians 4:2

This half term's value:

Respect

Dear Parents and Carers

As we head towards the end of the academic year, school has been a busy place! Last Friday, the children in Year 6 held their Young Entrepreneur afternoon. After weeks of preparation, creating a business plan, exploring costings, presenting their business to 'The Dragon's Den', making their products and selling them, the children were absolutely amazing. We are so proud of their achievements. They raised a whopping £1,134. Thank you to the parents of the Year 6 children, who supported both at home and in school on the day. A big thank you also to parents from across the school for their generosity. Following on from the event, the children attended Bounce in Saltash where they had a great time being children, finished off by a lovely buffet lunch. After this we went to the Leisure Centre for a fun session at the pool. There was a lot of happy but very tired children and adults at the end of the day 😊.

Across the school, the children have been rehearsing their performance of Madagascar. On Monday and Tuesday evening, we will be at Saltash Community School performing in front of a parents.

Next week is a packed week with the performance, Leavers' service, BBQ, Year 6 parents' assembly and our big send off for the children in Year 6 as they parade away from Bishop Cornish ready for the next part of their journey. We wish them and their families all the very best. We will miss each and every one of them.

We also say goodbye to Mrs Berry, who has been part of Bishop Cornish for 7 years. We thank her for her time at school and for having a huge impact on the lives of many children and their families. We wish her well in her new role.

On that note, I wish you a wonderful weekend,

Mrs Fletcher

KS2 Production of Madagascar

**Monday 14th July
and
Tuesday 15th July**

**Saltash Community School
5pm**

Achievement Awards

Charlie N-D for working really hard in your phonics by trying your best to use your sounds to write words and make sentences.

Toby in Year 1 always tries his best and this year it has paid off, well done Toby!

Oscar in Year 2 for his fabulous writing this week. Oscar has worked so hard and made some super word choices as well as been super neat.

Darcie in Year 3 who has been putting 100% into rehearsals for the upcoming production with lots of expression and enthusiasm in her performance. She has also been a super star in PE, especially with her cricket skills and is consistently a good team player. Well done for achieving so much in Year 3 Darcie.

Isaac in Year 4 for fantastic work in maths! He showed great confidence and skill when interpreting charts and line graphs.

Eliza in Year 5 has worked so hard in her writing lately. She has created an amazing piece of writing using a variety of sentence structures and held the reader's attention throughout. Well done.

We had goose bumps watching Daisy in Year 6 perform on stage during rehearsals. Her projection, body language and vocal skills are amazing! Well done Daisy 😊

Value Awards

Eden in Reception Class for showing respect to your classmates and teachers, and for making sure everyone feels included and welcome in our classroom.

Henry in Year 1 shows respect for the world around him, he is polite and respectful.

Molly-Mae in Year 2 has been a superstar this week and even tried out the Key Stage 2 playground. She has been so respectful and caring towards her friends.

Amelia in Year 3 who is always considerate of others' feelings as well as having beautiful manners towards everyone. She is a brilliant Year 3 role model.

Albie in Year 4 for showing excellent manners and respect during our Viking visitor session this week.

Jacob B in Year 5 always shows respect in school. He is a good friend, listens to everyone and treats others as he would like to be treated. Well done.

Daniel in Year 6 is such a caring, polite and hard working young man and we are very proud of all that he achieves.

This week in school we have...

Year 5 have enjoyed taking their maths outdoors this week...measuring objects in mm, cm and m then converting between these measurements. In our science lessons, we have enjoyed researching the gestation periods of different mammals and have made (and played) our own Top Trump cards. To finish off our history topic, we have been looking at how crimes may change over time and looked at reasons for this.

This week in Year 1 we have created some beautiful art inspired by Psalm 5. We have been learning about money and also had an exciting game of Dartmoor 3 ball and sunny woods time.

This week in Reception Class, we have made the most of the weather by having lots of fun in the sun in school and on our trip to the beach! Everyone had a lovely time building sandcastles, exploring the rockpools and enjoying the fresh sea air with their friends. We have been working hard in Maths on recognising, ordering and counting numbers up to 20. In phonics, we are continuing to develop our phonics skills by revisiting our set 2 sounds which has made us more confident in our reading and writing.

This week, Year 4 had a very exciting visit from a Viking! He shared some amazing stories about the Norse gods and even brought along some fascinating Viking artefacts, including axes and horns. The children have also been busy typing up their newspaper reports, and they look amazing. As part of our RE topic, we've also been learning about different types of weddings. This week, we explored both a Christian wedding and a Hindu wedding, comparing the traditions, clothing, and ceremonies involved in each.

Year 6 started off their week by counting their profit from the enterprise businesses. They did so well and they are researching different charities which they would like to donate some of their profits to. Rehearsals are full steam ahead for their production, it is coming together brilliantly, and they are singing and acting their hearts out. On Thursday, they had lots of fun together, enjoying time at Bounce and the swimming pool. They have made such lovely friendships, and it has been so emotional to

Year 3 have really enjoyed working on their Cornish pirate puppets this week. They are coming along well and all have such individual characters! The children are looking forward to making puppet shows with them when they are finished. In RE we have been learning about 'The golden rule' and comparing how people from different religions believe we should look after the world and each other. They decided that the beliefs were all very similar and have begun making posters about how they think following the Golden rule could make the world a better place.

This week in Year 2 we have written some epic lion reports and we are super proud of all of them. In maths we have finished our problem solving and been amazing at maths quizzes. We have painted our clay hut and found out lots about the ocean in science. We are really excited about our beach visit on Friday. We have also explored more about Rosa Parks and thought about what her life was like and what the word discrimination means.
