This week's value: ***Respect***

Dear Parents and Carers,

Welcome back to Term 6. This year is absolutely flying by! We have certainly had a busy first week. The children in Years 3 and 5 have been on school trips to Wheal Martin and Bodmin Jail. All of Key Stage 1 visited the beach on Wednesday, thankfully the weather was beautiful. We had some wonderful feedback saying how beautifully behaved the children were. And... rehearsals for the school production of Aladdin have started. It is so lovely to hear the children singing such well-known songs. The costumes are now in school, and fittings have begun – I am not sure who is more excited, the children or their teachers!

In Collective Worship we looked at our value of Respect. The children were able to discuss how we show respect to both people and objects. Thank you to Lily and Harvey in Year 6 for their help.

Last term the governing body and staff worked together to create the new vision for school – ***To inspire through faith and love, that all may flourish.*** We felt that this encapsulated Bishop Cornish, showing how we work together in order that all may flourish. We are currently revisiting the school values with the children and will be asking for your thoughts and ideas. Once we have pulled everything together, we will start a two-year cycle focusing on six key values. We will be sending out a survey monkey multi-choice questionnaire and really would appreciate everyone taking the time to complete it.

I hope that you have a wonderful weekend,

*Mrs Tracey Fletcher*

## *Achievement Awards*

Lyla in Reception Class for coming into school every day with a big smile on her face with an amazing ready to learn attitude.

Harry in Year 1 has been doing an amazing job with his reading - keep up the good work.

Jeremy in Year 2 for making super progress with his writing. Jeremy has tried really hard and wrote an absolutely super story this week.

Faith in Year 3 who created an excellent story in literacy with lots of imaginative ideas, applying what she has learnt and adding humour to her writing. Well done Faith.

Jack in Year 4 for his incredible effort in maths - he was able to recall knowledge and explain it well! Well done!

Elsie in Year 5 has been a super star this week, working hard in all areas of her learning. She was also fully involved in our trip on Tuesday and has been focussed on her follow work on this. Well done.

The Head's Award in Year 6 this week goes to someone who is always ready to learn, always goes above and beyond in his lessons and is a good role model for our school. The award goes to Lucas. Well done Lucas.

## *Value Awards*

Harry in Reception Class for always having a brilliant attitude and a wonderful respect for his environment, adults and friends.

Sophie in Year 1 is a very respectful person and she always shows respect to both adults and her friends.

Oscar in Year 2 is always respectful to everyone around him but on the beach he helped remind others that the sea creatures needed to go back to their original homes.

Daisy in Year 3 who had impeccable manners on our class trip, listening attentively and being respectful towards adults, asking mature questions about the clay works. Well done Daisy, what a fantastic Year 3 role model!

Harlequin in Year 4 for being respectful to both her peers and the adults in the classroom.

Jonathan in Year 5 has shown a lot of respect this week, especially when we visited Bodmin Jail. He listened carefully to our tour guide, respected the environment he was in and shared his ideas in class with respect to others. Well done.

Poppy in Year 6 is such a polite and respectful young lady. She is always positive and sets herself high expectations. She is empathetic and caring and treats everybody in our school, adults and friends, with compassion and kindness.

## Sports Report

### **SE CORNWALL FOOTBALL LEAGUE**

Well done to our B team who beat Burraton B team on Wednesday with a well-deserved 2-1 victory. Man of the Match was Vinne L. Well done boys!

*This week in school we have...*

This week Year 5 had an amazing trip to Bodmin Jail as part of our topic on Crime and Punishment. We learnt all about crimes and punishment in the Georgian and Victorian eras and the changes which happened in these times. The children were excellent and a great credit to our school. Following on from our trip the children were in the role of

This week in Year 4 we have started our new writing topic. We started with some grammar lessons to help make our writing better. We then started our sentence stacking, writing about a sunny morning and the garden outside.

This week Year 3 enjoyed their class trip to Wheal Martyn and had a guided tour of the Victorian Clay works and the mining pit. They learnt a lot about how China Clay was discovered and how it changed the lives of many Cornish people.

Last week Year 2 had a fantastic time at the beach this week. They were so well behaved and had super fun. During the rest of the week we have been writing stories about a duck who was afraid of the water. We have also started to explore clay and learn about how important sacred places are.

This week in Reception Class we have been very busy with our trip to the beach, looking at our new book *The Gruffalo* and looking at how we can use different and exciting words to describe the Gruffalo. We also made fairy cakes for the Gruffalo's tea. We have been looking at how to use shape to create things or pictures and the names of the shapes we are using.

This week Year 1 have been enjoying their time at the seaside and creating posters around the seaside 100 years ago. They've also been writing the start of our class story *Songs of the Sea* and preparing for phonics screening.

**Year 6 have begun their rehearsals for Aladdin; they are so enthusiastic and excited. They are revisiting statistics in maths, plotting charts and interpreting data. Year 6 also had their visit from Mrs Feldwick (Head of Year 7 at Saltash Community School), they were very mature and asked lots of sensible questions. In History, we will begin looking at different sources of evidence and identify what is real and what is fake. This will give them skills to understand not all they read is accurate.**
