

Bishop Cornish CEVA Primary School

To inspire through faith and love, that all may flourish

Issue 36: Friday 4th July 2025

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

"Be completely humble and gentle; be patient, bearing with one another in love."

Ephesians 4:2

This half term's value:

Respect

Dear Parents and Carers

Another busy week in school. We have been making the most of the beautiful weather and taking learning outside when we can.

On Tuesday this week, we had our Move Up Day. Many of the children in Year 6 spent the day at their secondary school finding out about all the exciting things that they will experience. Years Reception – 5 spent the morning with their new teacher or in a new classroom. It was wonderful to walk around and listen to the plans for next year and hear the children being so excited about what to expect 😊. We also welcomed the children who will be joining the school from September in Reception Class. They were very grown up coming not school ready to meet their teachers and make new friends. It seems that the highlight of the morning was the stickers that smell given to them by the teachers. A warm welcome to our new children and parents.

In Key Stage 2 the children have been busy rehearsing for our performance of Madagascar. I know that I say this every week, but they really do sound amazing. Not long now until parents and other family members are able to see it.

The teachers and TAs have been busy creating this Year's video reports where parents and carers get to hear and see their children talking about the past year in school. There will also be a report around your child's end of year attainment.

After our fundraising event in Year 6 the children will going on their surprise trip next Thursday and on Friday all of Key Stage 1 will be going to the beach.

Still lots to pack in before we end the academic year 😊. Enjoy the sun and have a fabulous weekend.

Have a wonderful weekend,

Mrs Fletcher

5pm**

Achievement Awards

Ada in Reception Class for showing fantastic participation in her learning. From her enthusiasm and curiosity during carpet time, exploring new activities or asking thoughtful questions - you always give your best effort in everything you do.

Jacob in Year 1 has worked so hard with his reading and it is paying off – well done Jacob!

Sammy in Year 2 has been doing some amazing extra work at home on our topics. He shared this really well with the rest of the class. Awesome Sammy!

Joeanns in Year 3 who has been persevering with her Maths, solving some tricky word problems and applying the skills that she has learnt across Year 3. She also has such a lovely nature and is so kind and respectful to everyone. Well done Joeanns.

Thomas in Year 4 for his outstanding writing on the Raid on Lindisfarne. His report was fantastically written and showed real creativity and effort. Well done!

Joshua in Year 5 has been working really hard this week, trying his hardest in his writing and his maths. He has produced a lovely balanced argument titled 'Should school uniforms be worn?' Excellent work Joshua – well done.

The Beegu group in Year 6 were given a task - they went away worked together and have created a brilliant choreography which I know their parents will love at the Leavers' Service.

Value Awards

Maxwell in Reception Class for always showing respect to his grown-ups by making the right choices and encouraging others to do the same.

Sophie in Year 1 is a fantastic example of how to show respect. She has self-respect, respect for adults and respect for her peers. Keep it up Sophie.

Willow in Year 2 has been really respectful towards her friends at school and has been super kind to everyone this week.

Oscar in Year 3 who is such a polite, well-mannered member of class and who shows courage and determination everyday at school. Well done Oscar.

Dexter in Year 4 for demonstrating respectful listening during discussions and consistently uses excellent manners around school.

Teddy in Year 5 has really demonstrated our school value this week. He has shown a lot of respect to those around him – adults and children. He has worked hard and listened carefully to advice given.

Eloise in Year 6 shows respect and manners to her peers and all the adults within the school, she is a great role model.

SPORTS REPORT

Final Sports Report of another busy year. Well done to all the children who represented the school so brilliantly in over 100 sporting matches, tournaments and races.

NETBALL FRIENDLY Vs BRUNEL

On Monday our A & B team played Brunel A & B in a Round Robin tournament. Some great Netball was played and in the end the A team were 1st and the B team were 2nd. Well done everyone and thank you to Jo from Brunel for hosting.

FUNINO GIRLS FOOTBALL TOURNAMENT

Well done to our Girls A team for winning the Funino Tournament at Burraton School on Tuesday. The B team (next year's A team) also played some great football, with the signs looking good for next season!

This week in school we have...

Year 5 have been super writers this week – we have created excellent balanced arguments on the topic 'should school uniform be worn?'. It's been such a beautiful week weather wise and we have managed to find time for a class game of rounders and also to teach Mrs Jones some football skills! All the fabulous writing features learnt in Year 5 have been included. The children all enjoyed being welcomed into the hall as the up-and-coming Year 6s and spending assembly on the benches. A super week – well done Year 5.

We have had lots of fun in the woods this week. We enjoyed our time in our new classrooms and have also been dressing up with lots of imagination.

This week in Reception Class we have enjoyed the story 'The Snail and the Whale' by Julia Donaldson. The children loved learning about the characters' journey and created some wonderful artwork to retell the tale in their own words. In maths we started learning how to tell the time where the children enjoyed using clocks in their play, prompting discussions about their daily routines. We also had our exciting transition morning where the children visited their new classroom and met their new teachers.

This week in Year 4, we have been working on completing symmetrical figures and interpreting data from various charts and graphs. In English, the class has been writing up their historical reports on the Raid on Lindisfarne, drawing on what they've learned about this dramatic event in history. Their work has been full of fascinating facts and imaginative descriptions. In RE, we explored the Sacred Thread Ceremony, learning about its significance and symbolism in the Hindu religion, creating our own invitations to this event.

This week Year 6 have been very busy, practising their leavers' service and rehearsing and making props for the show, hence the photo!! They had an amazing day on Tuesday at their transition visit and were very excited to come back and share all the things they had done and teachers they had met. We will update you with the total from our sale next week.

Year 3 have been very excited to begin their Cornish Pirate puppets this week. They have added a layer of paper mache to their milk bottles to create the head, and enjoyed creating the bodies by selecting different fabrics. The material was difficult to cut, but they showed an amazing amount of perseverance and fantastic teamwork, holding the fabric for each other whilst they cut. In RE we have been talking about how to look after our world and make it a better place. They have made some lovely posters together, again working well with each other to achieve this.

This week Year 2 went lion mad as they found our super lion facts in readiness for their writing next week. They used book and Chromebooks to find out information and made some super lion writers hats. They worked hard on their maths and using different strategies to help them answer questions. In science they thought about rainforests and why we need to protect them. They were also busy in RE designing their own prayer mats.
