Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

'God loves a cheerful giver.'

2 Corinthians 9.7

This week's value: **Generosity**

Dear parents and carers,

Welcome back to the Summer Term. We have a busy term coming up with SATs for Key Stage One and Two, the King's Coronation celebration, The Royal Cornwall Show trip, the Key Stage Two production, Year Two Surprise trip, Sports Day, Video Reports and the Leavers' Service. Please see dates across the page.

We began this week with Collective Worship. Our value this week is generosity and we explored the many ways that we can be generous. The children shared how they could give love, time, care for others and the world that God created for us.

This week the children in Years 5 and 6 started their music lessons. They are learning to play the ukulele. Great fun was had by all in their first lesson this week. We are eagerly awaiting their concert. The children in Year 3 are having singing lessons with Sally from the music service. It was wonderful to see such enthusiasm from the children.

The children in Key Stage 2 had a visit from the lifeguards on Wednesday, where they spoke about safety on the beach and taught the children how to stay safe if caught in a rip tide. Amelia and Evie said that they spoke confidently to all of the children and shared lots of helpful information.

The children in Year 2 continued with their Secret Agent Training in preparation for their tests to see if they become fully fledged Secret Agents shh!

Finally, Years 1 and 4 have started their swimming lessons this week.

I hope that you have a lovely weekend.
Mrs Fletcher

Dates for your diary

Monday 1st May

Bank Holiday

Thursday 4th May

Year 5 parents invited for craft afternoon 2pm
Tea and talk – Mrs Oakes 2.45pm

Friday 5th May

Coronation Party – 1.30pm, parents invited

Monday 8th May

Half term

Thursday 8th June

Royal Cornwall Show – KS2

Wednesday 28th June

Sports Day

Bag to School Collection (more information to follow)

Wednesday 19th July

Leavers' Service

Achievement Awards

Eli in Reception Class has come back to school with great determination and a clear excitement towards his learning. Keep it up Eli!

Harper in Year 1 is a super star with all her subjects and always approaches tasks with a smile. She has been working hard in literacy and creating some super sentences about the story, 'The Queen's hat.' Well done Harper.

Dexter in Year 2 has come back to school with an amazing attitude to his learning. He has been writing some fantastic sentences this week about our story. Keep it up Dexter!

Eron in Year 3 for his amazing efforts in reading, it is great to see you so motivated and what an achievement you have made this week! Well done :)

Caitlin in Year 4 for her amazing work in Geography, she really shone whilst completing her climate challenge task. Well done Caitlin!

Molly in Year 5 is a fantastic learner and works hard in all subjects. This week she created a beautiful collage inspired by Beatriz Milhazes.

Isla in Year 6 has shown such perseverance and dedication to her learning in school and at home. I am so proud of her resilience and by how much she wants to do well. Keep up the good work Isla 😊

Value Awards

Willow in Reception Class is very good at showing generosity. She is generous with her time for her friends, she happily plays with everyone and likes to make sure people are ok. Well done Willow.

Jeremy in Year 1 is generous with his friends and very good at sharing and taking turns. He is also generous with his time and often volunteers to help others. Well done Jeremy.

Beau M in Year 2 is such a kind and caring boy who shows care and love to all those around him. He has been really kind in the playground and looks after others if they are upset.

Poppy in Year 3 is a very generous person and it comes naturally to her to be kind and giving towards others. You are a great model for this Poppy well done.

Summer in Year 4 for being generous with her kindness. She is always kind to others and a good role model to her peers.

Lewis A in Year 5 is a very generous member of class. He is always happy to give up his time and help others.

Matthew in Year 6 always finds time in his day to make me smile. He is such a joy to teach, such a good friend and brilliant captain of the football team. He always has a positive outlook and gives off a happy vibe. He is such a generous young man in all aspects of school life 😊

Sports Report

Cornwall Schools FA County Cup 9 a side Football Semi Final

On Tuesday we hosted St. Mewan in the County Cup Semi Final. We got off to a poor start, conceding a scrappy goal inside a minute. It stayed 1-0 to St. Mewan until, with just under 2 minutes to go, Matthew Fox scored a stunning equaliser to take the match into extra time. Following a terrific move, Finley B scored a brilliant goal and we managed to hold onto until the final whistle to secure a brilliant 2-1 victory, taking us into the Final for the first time in the school's history. A brilliant effort by all the team, with player of the match going to skipper Matthew F, who was outstanding. Well done everyone. Special thanks to Sam Borthwick for all his hard work with the team.

East Cornwall Schools Match Against Swansea Schools FA

Congratulations to the 6 girls who have been selected to play for the East Cornwall U11 Representative team against Swansea Schools FA on Saturday 29th April at Charlestown. (Jess G, Lucia N, Izzy O, Poppy J, Elin P-H & Malaika).

This week in school we have...

Year 6 have been busy revisiting tricky topics in preparation for their SATs. They have been amazing and so resilient; I am so proud of them. We have finished our Islamic art as you will see in the photo. We have made a display in the corridor showcasing their finished designs as they are so outstanding. They used geometry knowledge from maths and their knowledge of the colour wheel which they learnt about in art.

This week Year 2 have settled back into school amazingly well. They have worked really hard at their writing and used some amazing adjectives and punctuation in their owl stories. They have been practising their multiplication skills in maths as well as doubling and halving with ease. They enjoyed an afternoon of exploring colour with water colours. We started our topic on Africa by finding out about Kenya and recapping our knowledge about the world, we are looking forward to finding out more over the next term.

This week Year 3 have been learning about Pentecost, we used oil pastels to give our responses to an image of the Holy Spirit. We have also thought about what we know about Cornwall and enjoyed some time in the woods. In maths we have been finishing our fractions unit and in English we have been enjoying some performance poetry in readiness to write our own next week. We have also planned our own plant investigations in Science.

This week Year 4 have been learning about fractions, using practical equipment and working in groups. In Geography we have been learning about different climates in Spain and in English, we have been doing some fantastic writing about the digestive system.

This week Year 1 have been getting inspired with literacy and drama activities based around the story, 'The Queen's hat,' as well as looking at photos of Buckingham Palace. They have also been studying world maps in Geography and learning about seasonal changes in Science.

This week Reception class have been learning all about the story of Zog. They made their own stars to give to a friend, created paper dragons and made an obstacle course to think about the challenges Zog faced!

In English, Year 5 started writing their narrative One Small Step. In Maths, they have been looking at decimals: comparing them to fractions, writing them on number lines and using place value grids to show their value with counters. In RE, Year 5 have learnt how Guru Nanak founded the Sikh religion. In Music, we have started learning the ukelele and learnt crochet and quaver beats. In Art, they created collages based on the highest earning living artist in South America, Beatriz Milhazes. One of her paintings sold for £2.1 million in 2000. Finally in Geography, the children learnt the 12 countries and 2 territories of South America.
