

Bishop Cornish CEVA Primary School

To inspire through faith and love, that all may flourish

Issue 27: Friday 25<sup>th</sup> April 2025

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

“Be completely humble and gentle; be patient, bearing with one another in love.”

**Ephesians 4:2**

This half term’s value:

## Respect

Dear Parents and Carers

I hope that you had a lovely Easter break and got to enjoy some of the fabulous weather. It seems unbelievable that we are now in the Summer Term!

The children have returned full of the joys of Spring and quickly settled back into the routine of school. We began this week by introducing our new value of Respect. The children in Year 6 helped by acting out the story of Elijah and the Widow. We then reflected on how God showed respect to someone others may not have. We also looked at how children and adults show respect to each other, the children said we can show respect by being kind, listening when others are talking, holding the door open for others, picking up litter and using our manners by saying please and thank you. It was lovely to hear the children sharing their ideas.

We have a busy half term with our whole school Chitty Chitty Bang Bang theatre visit, the children in Year 6 sitting that statutory assessment and eating the lovely breakfasts cooked by Nikki and her team, as well as Years 1 and 3 starting their swimming.

The Reverend Laura Bushell-Hawke will be coming to join us in leading Collective Worship on a fortnightly basis.

I would like to take this opportunity to welcome back Mrs Edlin from her maternity leave and Miss Wakeham to our school. Mrs Edlin, I’m sure it will seem like you’ve never been away! Miss Wakeham, we hope that you soon feel part of the Bishop Cornish family.

Have a lovely weekend,

*Mrs Tracey Fletcher*

### Dates for the Diary

**Sunday 27<sup>th</sup> April**

United Benefice Service 10am  
St Leonard & St Dilpe, Landulph

**Monday 28<sup>th</sup> April**

PTA Meeting  
5.30pm School hall

Leavers’ Service, 1.45pm

**Thursday 17<sup>th</sup> July**

Year 6 Leavers’ Assembly  
Year 6 End of Year Trip

### Achievement Awards

Sienna in Reception Class has settled so well in to class after Easter and has been super helpful and friendly with her new teachers. Thank you Sienna!

Henry has settled in very well in Year 1 and he is making super effort in class.

Olly in Year 2 has settled really well back into school and is working super hard. He wrote some fantastic sentences in RE about how special his family were to him.

Freya in Year 3 who has started the summer term with lots of enthusiasm and motivation. She has been challenging herself in Maths and Literacy with great results. Keep up the fantastic work Freya.

Emily R in Year 4 for your outstanding contribution to our science lessons this week! You showed fantastic curiosity and enthusiasm while learning about electrical safety.

At the end of last term, Year 5 led the Easter Service. Everyone worked their hardest, spoke beautifully and practised their lines; they worked as a team and the service was amazing. Well done for being so confident Year 5 and all working together.

Autumn in Year 6 for working really hard in your SATs revision over the Easter, your perseverance is really paying off and it shows in all subjects. Well done Autumn.

### Value Awards

Milly in Reception Class is great at showing respect for her teachers and peers, listens carefully in class and is a super member of Reception class. Well done Milly.

Leo in Year 1 always shows the value of respect when talking to adults, he has great manners.

Harry in Year 2 has been really kind and caring towards his friends. He has been respectful when he thought of things to help them while they were getting better.

Jeremy in Year 3 has beautiful manners and is always polite to adults and children. He is a great Year 3 role model.

Alfie P in Year 4 for always showing wonderful respect to everyone around you. You listen carefully, use kind words, and treat others the way you would like to be treated.

Charlie in Year 5 has had a super start to the Summer term. He has been trying his hardest in everything and showing great respect in his learning and to anyone offering advice. Well done Charlie.

Torii in Year 6 is an excellent role model in class she is always ready to learn. She listens to all instructions and is always respectful.

## Sports Report

### CORNWALL GIRLS SMALL SCHOOLS FOOTBALL CUP SEMI FINAL

In their first match since narrowly missing out on qualifying for the National Finals, the girls bounced straight back with an excellent 6-0 win against a very strong St Minver side. That means they are through to the County Final. Player of the Match was Isabelle D, who provided an incredible 4 assists from her magnificent corners. Bring on the Final girls!

## *This week in school we have...*

This week in Year 6 we have been preparing for SATs and revisiting things that have been tricky. In History we are looking at the Tudors. We have drawn portraits of what we think Henry the VIII may have looked like. We talked about how his portraits changed and he never seemed to look the same.

This week Year 3 have started their new topic about Cornwall and have been looking at maps and locating different places of interest on them as well as looking at the different regions of the United Kingdom. They have also been learning about fractions in Maths and listening to a new story in Literacy about a boy who eats books as well as creating their own blurb for the story.

This week Reception Class have settled back in to school after their Easter break and started their new topic of Julia Donaldson. This week we have focused on the story of Zog. On Tuesday they thought about things they are proud of and created their own stars. They also made their own roarsome dragons that breath fire! This created lots

This week Year 2 have hit the ground running with their learning. They have been amazing at multiplying and dividing by 5 and have started looking at a new book 'The Owl who was afraid of the dark'. They have begun to find out more about the Muslim faith in RE and have been discussing living things in science. They also enjoyed an amazing dojo treat of going to the park where they played and had biscuits.

Year 5 have had a super start to the Summer term. We have begun our topic 'Crime and Punishment' and have discussed how we know about crimes 800 years ago. We enjoyed looking at a picture showing the story of the 'fox and the goose'. In our science lesson, we carried out an investigation to test different materials for properties to answer questions as to if the materials are electrical conductors and/or magnetic. Everyone has worked their hardest – well done.

This week, Year 4 continued developing their understanding of decimals, focusing on how they can be partitioned in different ways. The children practised expressing decimals using various representations to deepen their conceptual understanding. In Science, we explored the dangers of electricity. The children discussed potential hazards and learned important safety measures to help prevent accidents in everyday situations. As part of our history topic, we began to unpick our perceptions of the Vikings. We looked at the image we often have of Vikings and started investigating why this image exists and what it might be based on.

This week in Year 1 we have started our class book Grandad's Island. We drew some old things that would have been in Grandad's attic and thought of some negative adjectives to describe them. We have been also thinking about the parable of Jonah and the big fish.
