"Just as the Lord has forgiven you, so you must also forgive others."

Colossian 3.13

This week's value: ***Forgiveness***

Dear Parents and Carers,

What a difference some sunshine makes! This week we have been able to use the field for break and lunchtimes, with the children in Years 5 and 6 eating their lunch outside. It is wonderful to hear their happy chatter and play. The rabbits, guinea pigs and tortoise have also been enjoying the weather in their new runs, thanks to the help of some of our lovely parents.

With the sun getting ever stronger, please can I ask that parents ensure that their children have sunscreen on, a hat to wear and a bottle of water. Mr Brown is working with the children in readiness for Sports Day in June. It is hot and thirsty work!

Our value this week has been forgiveness. We used the story of Joseph to explore how we can be forgiving when something has happened that has made us sad.

Next week the children in Year 6 will sit their Statutory Assessment Tests. They have been absolutely amazing this week, showing a real maturity in their attitude to learning and being fully prepared to shine. They are looking forward to their daily cooked breakfast that we will be sharing with them early in the morning. We wish them the very best of luck, we know they will fabulous! To help support the children can parents across the school ensure that their child/ren are in school by 8.50am.

I wish you a wonderful weekend.

Mrs Fletcher

Dates for your Diary

Friday 19th July

Last day of term for the children

Achievement Awards

Jacob in Reception Class for creating an amazing story map of the Stickman and really trying your best to make it the best it could be.

Myah L for her efforts within lessons and all aspects of school life.

Amelia in Year 2 for simply being amazing, you put 100% into everything you do and your work on Nelson Mandela was amazing!

Beau T in Year 3 who has been working extra hard in Maths using number bond strategies to help solve some tricky fractions problems. Well done Beau.

Katie in Year 4 for working incredibly hard in maths. She was focused and trying her hardest so that she could complete all the work, well done Katie!

Kyla in Year 5 has been a superstar this week. After finding something tricky, she faced it with confidence and rose above this. Well done Kyla.

Harvey in Year 6 is not only giving 100% in class, he is continuing his learning at home and ensuring that all his learning is embedded. I am so proud of your achievements and progress Harvey 😊.

Value Awards

Emilia in Reception class for always trying her best to forgive her friends even when it is hard.

Imogen in Year 1 is able to show forgiveness when she has a disagreement, she understands what it means to truly forgive.

Rosina in Year 2 is such a kind and forgiving member of our class. She always puts others first and thinks about their feelings. Thank you Rosina.

Eloisa in Year 3 who is a kind and forgiving friend who recognises the value of forgiveness, compassion and fresh starts.

Naya in Year 4 for being such a kind and forgiving person, who cares for everyone greatly.

Daisy in Year 5 is a young lady who never holds onto a bad feeling, is always forgiving and she thinks of others. Well done Daisy.

Matthew in Year 6 is caring and exceptionally so with the lower year groups. When things sometimes go wrong he is always quick to forgive and support them, thank you Matthew.

Sports Report

A great 4-2 win for the girls on Wednesday at St Minver to take them into the final next Wednesday against Nancledra. All the girls played brilliantly as a team and deserved their win. Special thanks to all the amazing parents for their support.

This week in school we have...

This week in Year 4 we had some fun tasting chocolate! We tried describing three different bars, focussing on look, smell and texture, before having a taste! We came up with a wide bank of words that we can use to help us better describe 'Wonka's' chocolate during our Big Write!

This week Year 1 have been sketching Van Gough's sunflower painting. They have learned about identifying wild and garden plants and making observational drawings in the woods. We have started our multiplication and division unit by counting in 2, 5 and 10, along with starting to plot out our own version of Grandad's Island.

This week Year 2 have been embracing the sunshine and have loved taking more learning outside. They have learnt about micro habitats in science and thought about where minibeasts like to live. In literacy we have enjoyed finishing our story and in maths we have been working hard on fractions. They children were also very enthused about learning about Nelson Mandela and showed real maturity in their discussions.

This week Year 3 have added some well known landmarks to their class seascape and have explored effects with mixed media including collage and paint in Art. In RE this week they have learned how Muslims pray and explored what it is like in a Mosque.

This week in Reception Class we have been learning to double numbers and explore what doubling means. We have also story mapped Stickman and his journey using our phonics to caption each picture.

This week Year 5 have been looking at the different books which make up the Bible, learning how to find a Bible reference and enjoying finding out about the story of Moses. In our topic lessons we have been travelling back to the past looking at crime and through the ages.

Year 6 have been absolutely fantastic this week preparing for SATs. I could not ask more of them as they have been so motivated and driven to do well. I know they will do next week, they are all shining stars. We have tried to have some down time as well and enjoyed the summer sunshine as you will see from the photo.
