This week's value: **Friendship**

Dear parents and carers,

Thank you to everyone that joined us last week for our grounds clear up. We achieved so much in readiness for the winter. The field was tidied, the goat pen cleaned, gardens cleared of brambles and the chicken area thoroughly cut back. Fabulous team work!

This week in school we have been celebrating Harvest. On Wednesday the whole school walked to St Stephen's Church, where each class played their part in a wonderful service. We listened to superb singing, perfect poetry, magnificent music, and watched delightful dancing all led by our Year 6 children. Thank you to all the parents, carers and grandparents who joined us and supported with generous food donations. Thank you also to the children and their teachers for their hard work. I am sure that you will be pleased to hear that along with donating food to The Trussell Trust, we were also able to give £100 to support the great work that they do.

Our raffle winners are as follows:
Reception Class - Samuel and Violet
Year 1 - Jeremy and Joanne
Year 2 - Faith and Isaac
Year 3 - Isla and Philly
Year 4 - Eloise, Caitlin and Louis,
Year 5 - Lilly and Bear
Year 6 - Bryah, Ava and Izzy

Have a wonderful weekend,
Mrs Tracey Fletcher
Headteacher

Dates for your diary

Monday 17th October

Nasal Flu vaccinations
Year 4 Bikeability

Thursday 20th October

Year 3 Stone Age Day

Friday 21st October

Reception Class – Superhero dress up day
Last day of half term

Monday 31st October

Back to school

Wednesday 16th November

Tempest portraits

Tuesday 22nd November

10-11am and 5-6pm

Wednesday 7th December

KS1 Nativity Performance
1.45-2.45pm
Christingle Service 6pm

Wednesday 14th December

Christmas Lunch

Friday 16th December

Last day of term – no After School Club

Achievement Awards

Barney in Reception Class deserves the achievement award this week for his super singing during Harvest. Barney always tried his hardest to join in with the singing and signing of our song. Well done Barney.

Oscar in Year 1 who has been working very hard in all subjects, especially in Science, and could tell the class about a kangaroo being a marsupial - fantastic animal knowledge! Keep up the good work Oscar.

Alfie in Year 2 has been trying hard in all areas of school. He did a fantastic storm drawing on Monday with charcoal and really captured the music he was listening to. Keep up the amazing effort Alfie!!

Teddy in Year 3 for his consistent hardworking and mature approach to his learning.

Louis in Year 4 has been a real superstar with his writing. He has really tried hard with his writing and his scientific writing about how sound travels was lovely. Well done Louis.

Joshua in Year 5 has been a homework superstar! Not only does he complete his Doodle Maths homework every single day, but he has produced some amazing Chilli Challenge homework! Well done! 😊👍

Year 6 have been utterly outstanding in working as a team, helping fundraise for The Trussell Trust and performing so confidently in Church. They are amazing role models for our school. Well done Year 6 😊

Value Awards

Aubree in Reception Class is an excellent example of a good friend. She shows friendship to all and is considerate to her friends, she happily plays with everyone! You're a star Aubree.

Joeanns in Year 1 for being kind and generous with her friends and being an excellent role model for caring, sharing and putting others first.

William in Year 2 is such a good friend to others. He is tolerant and patient and always helps others out. William is kind and always has a lovely smile on his face. Keep it up William!

Joshua in Year 3 is a kind, compassionate and fun person, he makes for a very great friend for his peers.

Kacey in Year 4 was seen being a real friend to somebody when they were upset - offering kind words and comfort. I often see Kacey being friendly to others. Well done.

Florence in Year 5 has a really special friendship with her friends. She is extremely loyal, kind-hearted and full of fun! Anyone who is a friend of Florence's, is a very lucky person indeed! 😊

The award for friendship has been nominated by Niall this week. He forgot his woods clothes so Wyatt showed true friendship by helping him to find wellies and clothes so he didn't miss out. He was proactive and showed compassion and empathy, such lovely friendship qualities. Well done Wyatt 😊

This week in school we have...

Year 6 have been preparing for Harvest Festival, rehearsing their scripts and hymns, selling raffle tickets and making hampers for prizes. We have also been reflecting on how science and faith work together harmoniously to create a peaceful and understanding World. We have also done some outstanding maths and created posters to show understanding of prime, square and cubed numbers.

This week, Year 4 have had an amazing week. We began the week with a surprise in our wild woods session - we found some evidence and investigated what could possibly have left such trails and markings! We created some amazing pieces of artwork to back up our findings...all will be revealed next week! We also learnt how we hear sound and produced some amazing annotated diagrams to show how our ears work. You are all superstars. Well done.

This week Year 1 have been very busy! They created some beautiful painted sunsets in art, learnt about part whole models in maths and have been using adjectives to describe different animals in literacy. They also thoroughly enjoyed their performance of an autumn dance at the Harvest festival.

This week in Year 3 we have been adding 3 digit numbers crossing a 10 and 100. We have been learning about Diwali and designing Diya lamps. We have also been learning about Skara Brae in the Orkney Islands, bulb planting in the woods and doing some Spanish and P.E.

This week in Reception class we have been focusing on the story of the Colour Monster. We have discussed different feelings and what makes us feel them. We then made our own muddled feeling jars by picking a different feeling to put in each one. A great week of talking, listening and sharing.

This week Year 2 have been really busy finding out about and writing some wonderful facts about the Wright brothers and their first flights. They have become masters of using inequality symbols and can write whole sentences with them in. In science we have explored dependency between animals and plants and have had some very in-depth discussions. We loved learning about the Giant's causeway this week and going to church to find places where we could be forgiving and show peace. Finally, we created some amazing storm pictures using charcoal which were inspired by the work of William Turner.

Year 5 have been very excited this week, making close observations of parts of a flower using microscopes! Seeing these parts magnified by many times was fascinating... particularly the pollen! We have also thoroughly enjoyed composing and performing our Songs of Praise music, which we presented as part of our harvest festival!

Sports Report

BOYS FOOTBALL - COUNTY CHAMPIONS!

Last Friday the Boys football team travelled to Truro for the ESFA Cornwall County Finals. We totally dominated the tournament, winning every game to become County Champions for the 2nd year in a row. This qualifies us to represent Cornwall in the ESFA South West England Finals, held in Bristol on Saturday March 25th. This is another magnificent achievement by the entire squad. Many thanks to the parents for helping with transport once again. The boys are pictured celebrating at McDonald's afterwards. Well done boys, the whole school is really proud of you.

ARENA GIRLS FOOTBALL LEAGUE

On Tuesday night the girls team travelled to Callington Community College for the 3rd round of the Arena League. Some lovely football was played against Stoke Climsland, cruising to a 7-0 victory. Then followed another tough tussle with Sir Robert Geoffrey School, with us finally securing a well-deserved victory with a goal from Player of the Match Jess G in the last 2 minutes. These victories keep us top of the league. Well done girls!

SE CORNWALL CROSS COUNTRY LEAGUE - ROUND 1

Good luck to the 28 runners we have competing today in the first round of the cross-country league. Results to follow next week.
