PARENTPAY – HELP US BE A CASHLESS SCHOOL

ParentPay has now gone live and you will be able to pay for school meals and trips on line. You should have received your activation letter this week (Years 3 to 6 only).

Please logon on to www.parentpay.com and follow the instructions.

If you already have a ParentPay account with another school, please use this and simply add your child to your existing account. You will be able to pay for school dinners online from Monday 19th February. Cash and cheques will still be accepted for a while, however we are moving towards being a 'cashless' school in the future. Cheques are still to be made payable to Caterlink Ltd and payments will go to the school office. If you are in receipt of Free School Meals, charges will not be applied to your school meal account. Reception, Years 1 and 2 will receive their activation letters after half term.

In time we will be adding more to ParentPay such as uniform etc, we will let you know when this becomes available.

There is more information on the school website – please see the ParentPay section under the Parents tab.
