

For Parents

Welcome to the Autumn edition of the Scomis

Essentials Online Safety Newsletter.

A recent review of Ofcom's '*Children and parents: media use and attitudes report 2016*' identifies:

- One in five of all 5-15s only go online using a device other than a desktop or laptop **(one in ten in 2015)**
- 32% 8-11s have their own smartphone **(24% in 2015)**
- 42% 8-11s prefer to watch YouTube to a TV
- 51% 12-15s use Snapchat
- 21% 12-15s claim to play online games with people they have never met
- One in ten 11-15s are still communicating via social media at 10pm

Have you considered implementing any of the following strategies at home?

- Setting Parental Control Tools
- Using YouTube Kids
- Applying age-based settings for Netflix
- Activating Safe Search for Google, Chrome
- Using browsers such as: Swiggle <http://www.swiggle.org.uk/>
- or Kidzsearch <https://www.kidzsearch.com/>
- Setting Parental controls for BT, TalkTalk, Virgin, Sky
- Establishing screen time limits
- Considered removing technology from the bedroom
- Blocking 'in-app' purchases

Internet Matters and the NSPCC have advice on how to start conversations about online safety and setting up Parental Controls:

Do you have an Instagram account?

On the 30th August 2017 Instagram revealed a flaw in its systems had revealed telephone numbers and email addresses of a number of 'celebrities'.

Childnet's blog of the 4th September reveals that the number of hacks could be much higher than initially thought, with an **estimated 6 million** account details being leaked.

Instagram advice is as follows:

- Report any unusual activity through the reporting tools
- Access the tools by selecting the "... " menu from your profile
- Select 'Report a Problem'
- Select 'Spam or Abuse'

Do you know what Livestreaming is?

New Youth Research published in August by Childnet finds:

Facebook Live, Instagram Live and YouTube Live are the most popular livestreaming services among 8-17 year olds.

Childnet's Digital Leaders have created top tips to help other children use live streaming services safely and responsibly.
