

Year 4 Home Learning w/b 13th July

Hi Year4 –

### **Maths & English**

This week, when you are working at home, we would like you to follow the BBC Bitesize Daily Maths and English lessons. We will be following these lessons in class, so on the days when you are attending you will be up to date!

Log on to <https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons>

Now click on the maths lesson for the day!

Work through the activities.

Do this each day that you are not in school.

We will also add some Mathletics activities for you to complete.

### **Creative Self Care**

Follow the link below to BBC Newsround. A Clinical Psychologist has some lovely ideas for creative self-care. There are five different suggestions, you can either have a go at all of them or choose 2 or 3. Enjoy!

This is our final home learning letter so we would like to say a huge WELL DONE. You have all been amazing throughout this very unusual school year. We have loved teaching you all and it will certainly be a year we will remember forever!

Have a fantastic summer holiday, don't forget to give us a wave and a smile when you return in September!

Love from

Mrs Nile & Mrs Edwards. xx
