This week's value: ***Perseverance***

Dear parents and carers,

A big thank you again to the parents, carers and grandparents that joined us on Friday for our Coronation Celebration. We hope that you enjoyed being in school and joining us in singing the National Anthem as well as hearing the children sing our blessing. It is a very special part of the week for us.

It has been a busy week in school with the Year 6 children taking their Statutory Assessments and the Year 2 children completing some of their Secret Agent Training. The children in Year 6 have enjoyed a cooked breakfast every morning and tucked in whole heartedly to the amazing food prepared by Nicky and Sarah. I have had more than one child ask if we can start every day this way!! We are very proud of the children and the tremendous effort that they have put into the assessments, sharing just some of what they have learnt at Bishop Cornish.

The children in Year 2 have been completing some of their Secret Agent Training and have already uncovered part of the clue in finding the words SLEEP and SHARKS. They will continue next week to solve the rest of the puzzle.

Next week KS2 children will be auditioning for the school production in July. We are very much looking forward to hearing them sing. In addition, on Monday, we have Tempest in school taking photographs of our Sports Teams and animal monitors.

I hope that the sun keeps shining and you have a lovely weekend.

Mrs Fletcher

Achievement Awards

Aubree in Reception Class deserves the achievement award this week for her amazing writing. She thought of lots of good ways to describe how Stickman was feeling and wrote them down using her phonics. Well done Aubree!

Jeremy in Year 1 has been working hard in all his subjects. He has been enthusiastic to find out facts about Australia in geography and is always keen to share his thoughts and ideas with the class. Keep up the great work Jeremy!

Alfie in Year 2 has worked really hard this week in school and has shown many of our Bishop Cornish values. He has shown love, compassion and perseverance in all he has done. keep it up Alfie!

Elsie in Year 3 for her eagerness and continued efforts in reading. It is paying off, keep it up Elsie.

Daisy in Year 4 has had a great week. She has entered the classroom each morning ready to learn and following all instructions with thought and care. She has really worked her hardest in all lessons. Well done.

Florence in Year 5 always follows the school rules and is a fantastic role-model for her peers. This week she has created a thoughtful and creative story using all of her writing tools in her toolbox.

This week's Head's award must go to the whole class. They should be immensely proud of themselves. They showcased all their learning throughout their time at Bishop Cornish. I know that all the adults here are extremely proud of their resilience, determination and positive mindsets. Well done Year 6!

Value Awards

Olly in Reception Class deserves this week's value award for continuously showing perseverance. Even when Olly finds something tricky, he will keep going and try, try again. He shows great determination in all that he does, well done Olly!

This week's value award for perseverance goes to Summer in Year 1 who has been trying so hard with her phonics, reading and writing and never gives up. She shows a hardworking attitude to all activities even when they are tricky. Well done Summer!

Jacob in Year 2 has really persevered with his reading this week. When he found something tricky, he took a deep breath and had another go. I am really proud of you Jacob!

Isla B in Year 3 works her hardest in every lesson, even if she finds something tricky she does her best which is amazing. Well done Isla you are a great example of perseverance.

Eloise in Year 4 has shown great perseverance in learning her times tables. Each week she tries her hardest to learn a different times table and really practise this. Well done Eloise.

Jasmine in Year 5 is a fantastic role-model and always works hard with her learning. She shows great perseverance when she finds learning tricky and doesn't give up.

The value award for perseverance also has to go to the whole of Year 6 as they excelled with their SATs this week. We are so proud of their resilience and unwavering determination. Way to go Year 6!

Sports Report

CSFA 9-a-side County Finals

Heartbreak for our boys' football team who lost 1-0 to Mount Hawke in the County Cup Final following a goal in the last minute of extra time. But well done on reaching the final - a tremendous achievement. Thanks also to all the parents who drove the children all the way to St Agnes! Your support this season has been amazing!

CSFA County Year 3/4 Football Finals

Well done to our young team who came 4th in the County Finals on Wednesday at Charlestown FC. With a little bit more luck we would have won. The whole team were outstanding but special mention must go to the defence, and in particular, Seth K in goal.

This week in school we have...

This week Year 2 have been amazing secret agents. They have all had a go at secret agent tasks and have been absolutely brilliant. They have already made the word 'sleep' and are eagerly awaiting their next letter clues to find out where they need to go to find Agent Sam. They have also enjoyed the woods, organising their Year 2 café afternoon, PE with Year 6 and making their Kenya books.

Year 6 have been busy with SATs this week. They have demonstrated perseverance, determination and positive mindsets. We are all so proud of them. They also showcased their leadership skills, leading PE with Year 2, showing them how to play cricket; they all had an amazing time. Great teamwork 😊

This week Reception class have been learning about the story of Stickman. They thought about Stickman's feelings when he was away from his family and when he was reunited with them. When they were out in the woods, they also found sticks to make their own stickmen!

Year 3 have been continuing our work around the story of The Mousehole Cat and creating some art inspired by The Kingdom of God on Earth. The children have been using maps to follow the journey of the River Tamar from source to its end and looking at Mass in Maths.

This week Year 1 have been doing some fact finding about Australia, looking at maps and learning to use a compass. They have also been learning about fractions in maths, planning their own story in English and looking at weather changes in science.

This week, Year 4 have been writing superstars learning how to really edit and improve their own writing. We have 'published' our amazing explanation texts and showcased our beautiful handwriting. In our PSHE lesson, we all chatted about the Coronation and how we would remember the late Queen by thinking about what we could put in a memory box about her.

In English, Year 5 have been writing and editing their amazing stories. In Maths, they have been rounding and ordering decimals. During PSHE they discussed online gaming and how to be responsible when being part of an online community. In art the children have been sketching and adding details using different mediums. During RE they have continued to explore what Sikhs believe.
