Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

'I did not come to be served, but to serve.'

Matthew 20.28

This week's value: **Service**

Dear parents and carers,

This week in Collective Worship we looked at the value of service. The children helped me to retell the story through rap from the Bible, 1 Kings 17:7-24, about a widow who served by sharing all she had and was rewarded in an amazing way.

As you know, this week we were asked by the Diocese of Truro to video a class singing a hymn for them to use to lead worship singing at the Easter Service on Tuesday 28th March. As our children are so amazing, we decided that we should send a video that included all the children at Bishop Cornish. On Thursday, after Collective Worship, Tim Parkman videoed the whole school singing, Be Still and Celebrate, both of which are part of our Easter Service at St Stephens Church next Wednesday. The children as ever sang beautifully. Katie Fitzsimmons (Director of Education at the Diocese) sent the following message. *"I love these! How wonderful! I am beaming from ear to ear, that has really cheered me on a very soggy afternoon!"*

Thank you to the children for their beautiful singing, the teachers for supporting the children and Tim for his wonderful tech skills.

This weekend, our football teams are heading off to Bristol to take part in the Southwest England Football Finals. Massive amounts of luck to both our Girls and Boys Football Teams. Have a great time. The whole school is very proud of you.

A huge thank you to Mr Brown for all his work and to our supportive parents.

Today, you will be receiving your child's annual written report. Myself and Mrs Oakes have had the joy of reading the reports and we were blown away by how hard the children are working and reading their comments about what they are most proud of. We hope you enjoy reading them as much as we have.

Have a lovely weekend.

Mrs Tracey Fletcher
Headteacher

Dates for your diary

Tuesday 28th March – 3.15pm

Chocolate Tombola, games, raffle, light refreshments

Wednesday 29th March

Easter Service, St. Stephen's – 2pm

Cross Country Presentation – Liskeard 7pm

Thursday 30th March

County Schools Primary Cross Country Finals – good luck to Jess, Elin, Olivia, Lucas S and Jacob S

Friday 31st March

Last day of term - No extra curricular clubs or After School Club

Science Week

I would like to say a big thank you to all of the parents who volunteered their time to come in and contribute to such a wonderful science week. Also, thank you to all of the children who made a fantastic effort to enter the Science Fair - what Super Scientists we have here in our midst at Bishop Cornish. It was such an amazing experience to walk around and enjoy all of your creations.

Mrs Lucy Dinham
Yr 3 teacher and Science Lead

Achievement Awards

Rosie in Reception Class has been trying so hard with her writing so she deserves the achievement award this week. She has been trying really hard to think about sounding out carefully. Well done Rosie.

Jeremy in Year 1 has been working hard with his writing and created some super sentences about our recent trip to the zoo. He has a positive and hardworking attitude to all his subjects. Keep up the great work Jeremy!

Beau T in Year 2 for writing an amazing letter to the zoo which was full of interesting words. Beau you are working so hard on your writing at the moment and we are really proud of you!

Jacob in Year 3 has been making an amazing effort in his writing.

Megan Year 4 is always hard working and gets on with her learning sensibly. This week she has been quietly working away, focussing carefully and completing everything as asked. Well done.

Rebecca in Year 5 has worked extremely hard to write a story about Goldilocks. Amazing work Rebecca!

Matthew has written a brilliant report for RE, using lots of technical vocabulary and focussing on outstanding presentation skills. His job description for a local vicar was also outstanding! Matthew always gives 100% and has an amazing work ethic. Keep up the good work Matthew 😊

Value Awards

Samuel in Reception Class is this week's value winner for service. Sammie tries hard to be a super friend to all and is an amazing helper in reception class. Well done Samuel!

Joeanns in Year 1 is always willing to help others, not just in our class but in other classes too. She is a kind and caring Year 1 role model and should be proud of how considerate she is with others.

Jasper in Year 2 is so kind to his friends and indeed any child in the classroom. He serves everyone by making sure that they are alright and he tidies up so well for Mrs Oakes!!

Elijah in Year 3 loves to help with jobs and this week he used his initiative to serve others in our class by handing out rulers when the children needed them.

Moses in Year 4 is receiving this week's award for the service he gives to his sports and for representing the school in football. Well done.

Katy in Year 5 is extremely helpful around the class and demonstrates the value of service daily. Thank you for being so helpful.

Charlotte and Katherine in Year 6. They always help keep their classroom neat and tidy and always offer to help handing out books. I'm not sure what we would do without them. Thank you for all your kind service to our class. 😊

Sports Report

Year 3/4 East Cornwall Football Finals

A huge well done to the team who finished 2nd in the above tournament, thus qualifying them for the Cornwall County Finals in May.

Football C Team Vs SRG B Team

Playing their first ever match the team did so well to lose 5-1 to a really strong SRG team in an excellent, good-natured match.

Diamond Shield County Cup Quarter Finals

On Thursday night our boys team entertained Biscovey, just 24 hours before departing for Bristol for the SW England Finals. Playing their best football of the season, we eventually triumphed 6-2 to send us into the Semi-Finals. Man of the Match was Matthew E, who was outstanding in the 2nd half. Well done boys!

This week in school we have...

This week Year 2 have been amazing at maths as they get to grips with multiplication and division. They have also been perfecting their use of question marks and writing letters to the zoo about their favourite animals. We have worked hard on the Easter story and thought carefully about resurrection and what this is. In science we have thought about recycling, and we have learnt all about Florence Nightingale and why she is famous. We are very glad that she changed hospitals for the better!

Year 5 had a visit to Plymouth this week investigating the effects of WW2. Did you know that Plymouth had more bombs dropped per person than London?

In English this week the children finished their newspaper reports and should all be very proud of their amazing writing, I know that I was really impressed reading them. In Maths Year 5 have been finding fractions of a quantity. In RE, Year 5 investigated 'What did Jesus do to save human beings?' In Music they have been comparing The Fresh Prince of Bel Air to Ready or Not by The Fugees. Finally in History, the children are now creating a fact file about World War 2.

This week Year 1 have been thinking about the Easter Story and created some artwork reflecting on how the story changes from sadness to happiness, using the themes of darkness and light in their drawings. They have also been writing recounts about their recent trip to the zoo and making healthy fruit faces in Design Technology.

This week Year 3 have been perfecting their performance for the Easter Service, writing up our Flood stories and continuing our fractions work.

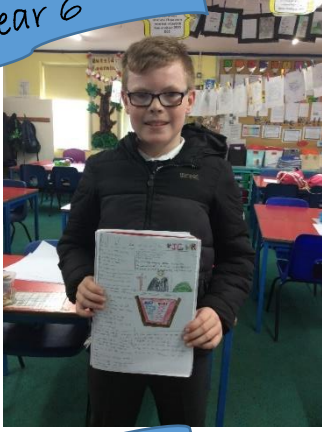

This week Reception class have been watching their sunflower seeds and cress grow. Every day they have been excited to see how much they have changed and how much they have grown. They have also been learning about Easter and made the most of the sunshine by painting pictures outside.

This week, Year 4 have been learning all about food chains in science and sketching animals in food chains in our art sessions. We have worked very hard learning our song for the Easter service next week, focussing on what it may have been like for Jesus in the Garden of Gethsemane and reflecting in our own lives upon a time when we may have felt lonely or afraid. This week's photos are part of some freeze frame drama work about what loneliness might look like.

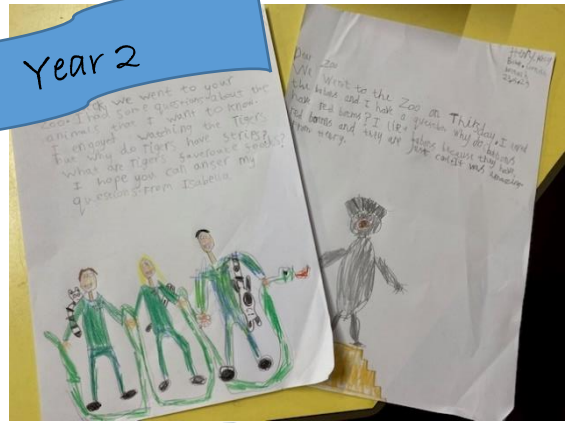

This week, Year 6 have had a visit from author Rob Holmes. The children loved listening to his stories and taking part in some mindfulness activities. They have also been revisiting the Islamic faith, learning about Muhammed (PBUH) and how the press can distort stories about different faiths. We have also been practising our scene of the Crucifixion ready for our Easter Service next week.
