Dear Children, Parents and Carers,

As we reach the end of this first week where all our routines have changed and where we face new challenges I wanted to just remind you all that the staff are missing you and can't wait until we will be able to get together again. I expect you are all missing each other as well.

It seems very strange in school - all the staff are busy helping in school and they are looking after your friends whose parents are working incredibly hard in hospitals, in the emergency services and in other vital areas.

Thank you for some of the lovely messages we have received and for completing your home learning tasks. We have heard some amazing jokes from Year 6 that have made us laugh! We have seen photographs of some of the things you have been up to and these have made us smile. We hope that you have enjoyed the daily messages from your teacher.

Over the next two weeks the staff will not be setting work, as this would have been your Easter holiday, but we will start posting activities again on the 14th April.

We are lucky that the weather has been so beautiful and some of you will have been able to get outside and play in the garden. The animals are all well and they too have been enjoying the lovely weather. The goats are enjoying sunbathing and racing around their field!

We send you all our love and prayers. Keep safe and don't forget to smile at someone and something everyday.

Every blessing

A handwritten signature in cursive script that reads "Sue Green".

Mrs Sue Green
