Issue 38: 15th July 2022

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

'Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven'

Luke 6:37

This week's value: *Justice*

Dear parents and carers,

We have had a busy week both in and out of school with children being invited to the Science department at Saltash Community School, where they enjoyed watching and taking part in many experiments, even making oreo ice-cream! In other classes the children held their afternoon tea for parents, after preparing scones as part of their learning. We also visited Saltash Community School to watch the performance of Mathilda and all of Key Stage 1 had their trip to the beach. Finally, on Thursday we watched a fabulous performance of a very different Snow White from Drama Club, where every single member of the audience left the hall with a big smile.

Our value this week was Justice. The children reflected on the importance of treating everyone fairly.

Today you will receive your child's video report. I hope that you enjoy watching them as much as I did! You will also receive your child's achievement summary for the year. If your child is in Year Reception, 1, 2, or 6 we have included the statutory assessment record too. Any questions around these, please in the first instance contact your child's class teacher. As a school we are proud of the hard work that the children have put into their learning this year and hope that you are too. It has been a strange year of disruption at times, as the advice from government has changed around covid. Fingers crossed for a smoother 2022-23.

Next week on Wednesday we are holding our Year 6 Leavers' Service at St Stephens at 1.45pm. Parents of Year 6 children are invited to join us for a barbecue at school from 4pm – 6pm. We very much look forward to having the time to reflect and be thankful for the children's time at Bishop Cornish.

Enjoy the sun and have a lovely weekend.

Mrs Fletcher

Dates for your diary

Monday 18th July

Yr 6 End of Year trip

Wednesday 20th July

Year 6 Leavers' Service 1.45pm

St Stephen's Church

Year 6 BBQ – 4-6pm, Y6 parents are welcome to both events

Friday 22nd July

Monday 5th September

INSET DAY

Tuesday 6th September

Children back to school

Please ensure your school dinners account is settled by Friday 22nd July, we are changing caterers in September so all meals must be paid for before we break up – thankyou.

Achievement Awards

Oscar in Reception Class deserves the Headteacher award this week for his constant enthusiasm. He was so excited and animated on our school trip and loved finding all the different animals. Never change Oscar.

Lois in Year 1 has been working really hard for the whole year. She has made lots of super progress and always concentrates fully on what she is asked to do. Lois is also a super friend and has been playing really nicely with others in the class.

Zara in Year 2 for approaching all her subjects with a big smile and lots of perseverance. She also joined in very well with our beach trip finding out interesting facts about all the different sea creatures hidden in the rock pools. Well done Zara!

Josh in Year 3 for his recent efforts with his reading. Well done, Josh!

Lewis G in Year 4 who has been working super hard this week and is trying exceptionally hard to improve his presentation. Well done Lewis and keep up the good work!

Barney in Year 5 for persevering with his handwriting. He has shown dedication and resilience and worked hard with Mrs Hall to improve. Well done Barney!

Alfie in Year 6 worked really hard on his bridge design and presented it very professionally to the Peruvian Prime minister! His team were most impressive! Well done, Alfie! 😊

Value Awards

Amelia in Reception Class is the perfect choice for the value of justice this week. She has a very wise head on her shoulders and is always very good at thinking of the most fair answer to any problem. She is excellent at coming up with solutions and knows how to make the right choices. Keep it up Amelia.

Aiden in Year 1 is always very good at being fair and just. He makes super choices and always models good behaviour. Keep it up Aiden!

Teddy in Year 2 has an excellent sense of what is and isn't fair, and is very mature in considering the needs and feelings of others.

Henry in Year 3 is a very calm and level headed boy he is aware of what is just and right, he is a great role model for this.

Oliver in Year 4 always has a good sense of justice and fair play. He is quick to sort out disputes among his friends and is also an excellent mediator on the football field when things sometimes get a little heated.

Wyatt in Year 5 for showing maturity and forgiveness when another pupil upset him at break time. He reacted in a very sensible and responsible way. Well done Wyatt 😊

Bradley in Year 6 is extremely fair and never judges others. He has a strong sense of what is right and wrong and models his morals to his classmates. Well done, Bradley! 😊

This week in school and at home

This week Year 1 have loved learning about money and having a go at paying for different items. They have also learnt about recounts and begun to understand how to write in the past tense. They had an amazing day on the beach on Wednesday and have enjoyed writing about it. We also enjoyed a visit to Year 5 where we shared our knowledge of Islam together and made prayer beads together.

Year 5 have had a busy week this week. They learnt so much from Mrs Straw (Izzy's Grandma) who came into class with lots of WWII artefacts and stories. The class loved hearing about her family history and how the war had affected their lives. They have written up some amazing authentic diary accounts based on their new learning. Thank you Mrs Straw! They have designed some great planes in DT and created blitz art as part of their topic work. Year 5 have also been delving deeper into the Islamic faith and sketched some beautiful mosques using shading techniques and perspective. They have invited Year 1 to the class on Thursday to do some joint working, more about this next week...

Reception class had the most amazing time at the beach. We found so many animals whilst rock pooling, splashed (and fell!) in the sea and all had a great time playing all together in the sand. A very fun and tiring school trip.

Year 2 have been instruction writing this week and had lots of giggles trying to give instructions to an alien (played fantastically by Fred) on how to put a coat on. They realised just how clear their instructions needed to be to make them actually work!! We also had an amazing time at the beach on Wednesday with Reception and Year 1, and found so many fascinating creatures in the rock pools.

This week in Year 4 we have been learning about all different types of angles in maths, have been writing a non-chronological report about living things and their habitats in English and science and have also been working really hard on our Roman Mosaics based on Geometric shapes.

This week Year 3 have been enjoying writing our scripts and also baking scones to enjoy with our families. We had such a wonderful time even the alpacas decided to join us!

Year 6 have had an interesting week: welcoming the Peruvian Prime minister; frantically earning money; watching a performance of Mathilda at the secondary school; not to mention learning about altitude (outside using a GPS altitude measuring device!) and creating holiday brochures! Busy, busy, busy!! 😊
