This week’s value: ***Service***

Dear Parents and Carers,

This week in school we have had another busy week. The children in KS2 performed Aladdin to a packed hall of parents, carers, grandparents, aunts and uncles. The children blew the audience away singing beautifully, acting with aplomb and saying their lines with conviction. I cannot begin to tell you how immensely proud we are of all the children. It is such a wonderful opportunity for them to shine. A huge thank you to Mrs Oakes for directing the performance, Mrs Jones for playing the piano, Mr Parkman, Mr Blake for running the sound system, Katy for her sound technician skills, Liv Oakes for supporting the children both before and during the performance, the TAs for all their hard work with the scenery, costumes and make-up, Saltash for letting us use the hall, all the parental support that we have had and last but not least the children! What a wonderful two nights 😊.

Also, this week we received the Year 6 SATs results, we are incredibly proud of their achievements.

Next week, you will receive a link to your child’s video report. It has been a joy to watch them sharing their achievements at Bishop Cornish as well as what is special to them about being here. On Tuesday, you will also receive a short achievement summary relating to meeting end of year expectations in the CORE subjects.

In addition, next week, we have the Leaver’s Service at St Stephens followed by a BBQ on Wednesday. On Thursday Year 6 parents are invited into school for their class assembly. On Friday next week we will be having a Games Day for the last day of term. All children can bring in a game (named) to share with others (no electronics please). They can also wear non-school uniform. We will have an assembly at the end of the day and all stand in the carpark as we wave the Year 6 children off to start the next part of their adventure.

Have a wonderful weekend, fingers crossed for the Euros. 🇪🇺

Achievement Awards

Leilah in Reception Class for trying so hard with writing your postcard and using your amazing phonics to spell some impressive words. Your confidence in your writing is lovely to see and all the adults are proud of you. Well done.

Oscar in Year 1 for his amazing efforts throughout the whole year!

Molly for being so mature this week and becoming an absolute superstar in Year 2.

Fran in Year 3 who showed resilience and determination by facing her fears about being on stage and joined in brilliantly in the Aladdin production.

The whole of Year 4 for working so hard throughout the week and being excellent Agrabahns in the school show.

Harriet in Year 5 has been a superstar lately. She is working her hardest, listening to advice offered and is really keen to succeed in what she does. Well done Harriet.

The Head's Award has to go to the whole Year 6 class. Their determination and resilience this week is second to none. Not only did they achieve amazing SATs results, their courage, performance and team work has utterly wowed us all. They have achieved so much and they should all be so proud of themselves.

Value Awards

Ivy-Louise in Reception Class for having a really good week, being helpful to the adults in the classroom and being more accepting of things around you.

Jasmine in Year 1 loves to be helpful to the adults and will often offer to help around the classroom.

Millie in Year 2 for always being amazing in class and helping Mrs Oakes so much each day.

Lowenna in Year 3 who is always willing to give time to help others and has been a superstar in the Aladdin performance this week. Well done Lowenna.

Jacob B in Year 4 for being a positive member of the class who always offers his service to the class and adults around him.

Niamh in Year 5 is a member of our class who always thinks carefully in whatever she does. Niamh is kind towards others, gives any help she can and can always be relied upon to make the right choices. A great example of service, well done.

The Award For our Value of Service, also goes to the whole class. The Service they have demonstrated to Bishop Cornish is outstanding. Well done Year 6 😊

Changes to Attendance Expectations from 19th August 2024

Where a leave of absence has been unauthorised, penalty notices will be considered in line with Cornwall Council's Code of Conduct for issuing Penalty Notices in respect of unauthorised absence. The Headteacher and Deputy Headteacher will consider the exceptional circumstance before any decision is made to unauthorise a leave of absence request where the issue of a Penalty Notice is required.

Failure to notify and/or request leave of absence in term time, providing at least 5 days' notice may result in all absence being recorded as (O) (unauthorised absence not covered by any other description).

All applications should be made in writing to the Headteacher at least 20 school days prior to the requested leave date. Where the decision is made not to authorise leave in term time, school will inform parent/carers in writing.

Please do not book a holiday before being given permission for absence from the school.

A general guide for parents is leave for any holiday, activity or event that could be arranged during the annual 13-week holiday time would not be authorised.

This week in school we have...

Year 5 have been very busy rehearsing and preparing for Aladdin this week. They have been focussed, learnt their lines and perfected their acting skills. In our PSHE lessons this week, we have been discussing the topic of 'change' and thinking ahead to our teenage years. The pictures children have created of what they think they will look like in 6-8 years are lovely.

This week in Reception we have started looking at how we talk about the time, and talking through the order in which we do things. We have also been continuing our Snail and the Whale postcards which are coming on beautifully. In RE we have been looking at what stories are important to us and why.

This week Year 3 have been making the bodies for their pirate puppets from fabric, creating an outfit for them and even added some accessories such as treasure chests and swords. They have also been amazing in their first KS2 production of Aladdin. What a busy week!

This week in Year 4 we have had a very busy week with all the rehearsal practices and shows. In between these, we have been looking at charts and graphs in math. We have studied different types of charts and how they can be used, before solving word problems about the data within these graphs.

This week Year 2 have been really busy writing amazing reports about lions. They have also been problem solving in maths. They have enjoyed finishing their unit of work in RE and worked hard in science thinking about what pets need to survive.

This week Year 1 have been learning about direction and making leaflets about the seaside 100 years ago.

Year 6 started the week finalising costumes and getting extra rehearsals in for their Aladdin production, the show was absolutely incredible. It would certainly smash any London box office hit! I am so proud of them. They've also been finalising their scripts for their Leavers' Assembly and writing special cards to each other to share next week. They will definitely need the weekend to chill!
